Of Mideast Beast:

Mideast Beast Joel Richardson, 2012 Whereas most students of the Bible have long held that some form of humanism or universalist religion would catapult the Antichrist to world power this book systematically proves the biblical case for an Islamic Antichrist *The Islamic Antichrist* Joel Richardson, 2009 In *The Islamic Antichrist* Richardson exposes Western readers to the traditions of Islam and predicts that the end times may not be far away His book will stun readers unaware of the similarities between the Antichrist and the Islamic Jesus His research on the relationship between Christian end time prophecy and Islamic expectations of world domination will shock readers and shape the debate over radical Islam for years to come This is the book to read to understand Islam's potential role in fulfilling the prophecies of the Bible Page 2 of cover

There Were Giants on the Earth in Those Days... and Also After That Roberta Sams, 2015-01-26 What I appreciate about *There Were Giants on the Earth in Those Days and Also After That* is that it is not only intelligible but is enjoyable to read It doesn't require the reader to know a lot about eschatology but provides them a learning experience as the author has done extensive research and study to uncover the mysteries of the Bible which has all the answers It tells what is going to happen in the future The book deals with how Lucifer was cast out of heaven when he rebelled against God and how sin first entered into the world in the garden of Eden It shows how Satan has battled against God and His plan to provide salvation through faith in Jesus Christ Subjects like giants in the land the flood false religions Islam secret societies UFOs and others are discussed The Federal Reserve and HAARP by which they are trying to control the weather the Rapture the new world order the mark of the beast and the Antichrist are all dealt with according to the Word of God I recommend the entire book be read in order to experience the benefits of the author's laborious efforts to cover the past the present and the future of our world Rev David Lathrem associate pastor Lee Boulevard Baptist Church *Unprepared!* Steven E. Gardner, 2022-11-03 Humanity is about to enter what the Bible calls aEURE the time of the end aEUR the seventieth week of Daniel otherwise known as the Revelation of Jesus Christ This book undergirded and based upon biblical prophecy presents the time frame the chronology of events and the solution you must choose if you want to survive until the rapture In February 2028 the angels of heaven will announce aEUR The kingdom of the world has become the kingdom of God and of His Christ aEUR All the nations of the world will reject that decree and Jesus Christ the aEUR King of kings and Lord of lords aEUR is going to become the enemy of mankind What are you going to do oh reader when the UFOs begin to show up What are you going to think about Jesus and God then Are you going to believe the aEUR aliens aEUR or are you going to believe the Word of God If you don't know the truth how will you recognize deception By May 2033 the end of this age will have come The church will be gone from the earth The climate will be altered into a new system without the sun Civilization will have ceased to exist In fact only a remnant of Israel will survive to populate the earth going into the Millennium Mankind is going to be exterminated from off the surface of the earth by judgments of hail fire famine pestilence plagues war heat economic collapse

and finally an earthquake so powerful that every city in the world will be destroyed and the mountains and islands are going to disappear The only thing that will remain is darkness This is the prophecy of the end Get ready it is coming For more information visit the author s additional website 2595days com **Raindrops of Revelation** Zion S. Kwok,2024-12-17 Call to me and I will answer you and will show you great and difficult things which you don t know Jeremiah 33 3 WEB The Lord gave us the Book of Revelation a book of signs and mysteries Let us ask Him for understanding for surely He desires that the book bear fruit in the lives of His people Raindrops of revelation will fall upon us accumulating into ever deeper pools of understanding or perhaps our imagination Yet in all this we marvel at the wondrous design of the book Is there a literary progression in the letters to the seven churches Have the seals anything to do with the Great Persecution at the time of Diocletian How long is the Day of the Lord Is there a real animal with ten horns Is the beast from the land the same as Babylon the Great Will the vertical dimension of the New Jerusalem be mostly underground May we wait more eagerly for the coming of our Lord **Revelation** Jeff Ferguson,2021-11-03 Social injustice social distancing and masks the coronavirus pandemic earthquakes wars and rumors of wars is this really the end times When thinking about the book of Revelation death and destruction lawlessness and chaos seem to be the focus of most people Humanity especially Hollywood seems to have an insatiable appetite for the sensational devastation and death that is predicted in this biblical prophecy The problem with this is most media sources miss the main point for which these catastrophes occur the call of God for His creation to reunite with Him The book of Revelation is probably the most controversial book of the Bible Which piece of literature throughout history has had more written about it with such widely divided opinions and differing beliefs Yet through all of the existing material there is still widespread confusion and improbable comprehension regarding this prophecy However controversial it may seem Revelation is also one of the most important writings we have available concerning the Christian life today It is a compulsory read for anyone serious about living their life for Jesus Christ Revelation The Full Disclosure of Jesus Christ takes the reader verse by verse through the entire twenty two chapters of Revelation giving accurate but easy to understand explanations It is designed as a study guide for the children of God at every level of understanding The book of Revelation is both a continuation and ending of the story that began in the book of Genesis So come let us explore together the final chapter of the greatest story ever told **The Middle East** ,2005 *Mystery Babylon* Joel Richardson,2017 *Mystery Babylon* is an in depth look at the prophecy of Revelation 17 and 18 Richardson dissects the longest prophecy in the New Testament the final chapters of the Bible in order to make sense of these deeply elusive and profoundly controversial passages **End Times, the Middle East, and the New World Order** Edward E.
