## **Book Discipline Without Damage Behave Messing:**

Discipline Without Damage Vanessa Lapointe, 2015-12-21 In this easy to read science based book parents caregivers and adults of all kinds discover how discipline affects children's development why intervention should reinforce connection not separation and why the disciplinary strategies that may have been used on us as children are not the ones that children really need As a practicing child and family psychologist and advisor to the British Columbia ministry of children and families Dr Vanessa has seen it all and she has navigated hundreds of tough situations with families Drawing on scientific research and a wealth of clinical experience she shows you how to put out the fire without dampening your child's spirits how to correct their behavior while emphasizing connection and how to discipline without damage ABCs of Raising Smarter Kids Joanne Foster, Ed.D., 2020-08-10 In ABCs of Raising Smarter Kids award winning author and gifted education expert Dr Joanne Foster reveals ways to help kids thrive Moving from A to Z she offers helpful information on child development and shares hundreds of current resources and practical suggestions Each letter chapter features a different thematic focus such as Education Health and Happiness Motivation and Productivity Beautifully illustrated by Christine Thammavongsa ABCs is a comprehensive reader friendly and unique parenting book Mothering Our Boys Maggie Dent, 2018-11-01 Maggie is earthy and real full of love and knowledge especially on raising sons Steve Biddulph Maggie's perspective on raising boys is spot on She writes with humor and depth providing insight and strategies for many of the most important issues facing moms There is a lovely ease to her writing and a powerful honesty I hope every mother of a son and everyone else will read this book The future of the world to a great extent depends on how we raise our boys Michael Gurian New York Times Bestselling Author of The Wonder of Boys and Saving Our Sons If we can see the world through boys eyes a little better we will make different choices in the way we mother them and we will find them less confusing and love them more deeply Mothers of sons are worried about raising their boys in a world where negative images of masculinity are front and centre of our media almost every day Not only that but statistically our boys are still struggling in many ways Even though we live in a time where we recognise that nothing in gender is fixed it remains a fact that the influence of a mother on her son is massive A mother of four sons herself Maggie Dent draws on her personal experience and over four decades work as a teacher counsellor and now author and speaker to help build understanding empathy and compassion for our boys Maggie shares her five key secrets that every mum needs to know and uses the voices of men she has worked with and surveyed to reveal what really matters in a boy's relationship with his mother and other mother figures Maggie is one of Australia's most popular parenting authors and educators and her seminars about boys have sold out all across Australia and in the UK She is finally sharing her insights her reflections and as always her humour around mothering boys to help you be the mum your son needs you to be Mothering Our Boys (US Edition) Maggie Dent, 2018-11-01 Maggie is earthy and real full of love and knowledge especially on raising sons Steve Biddulph Maggie's perspective on raising boys is spot on She writes with humor and depth

providing insight and strategies for many of the most important issues facing moms There is a lovely ease to her writing and a powerful honesty I hope every mother of a son and everyone else will read this book The future of the world to a great extent depends on how we raise our boys Michael Gurian New York Times Bestselling Author of The Wonder of Boys and Saving Our Sons If we can see the world through boys eyes a little better we will make different choices in the way we mother them and we will find them less confusing and love them more deeply Mothers of sons are worried about raising their boys in a world where negative images of masculinity are front and centre of our media almost every day Not only that but statistically our boys are still struggling in many ways Even though we live in a time where we recognise that nothing is fixed it remains a fact that the influence of a mother on her son is massive A mother of four sons herself Maggie Dent draws on her personal experience and over four decades work as a teacher counsellor and now author and speaker to help build understanding empathy and compassion for our boys Maggie shares her five key secrets that every mum needs to know and uses the voices of men she has worked with and surveyed to reveal what really matters in a boy's relationship with his mother and other mother figures Maggie is one of Australia's most popular parenting authors and educators and her seminars about boys have sold out all across Australia and in the UK She is finally sharing her insights her reflections and as always her humour around mothering boys to help you be the mum your son needs you to be [Real Kids in an Unreal World](#)

Maggie Dent,2018-12-01 Real children need real experiences with real people to grow up happy healthy strong kind and resilient In the second edition of this bestselling book from one of Australia's favourite parenting authors and educators Maggie Dent Maggie explores the 10 essential building blocks that help children build resilience and self esteem in our chaotic uncertain world We can't change the world however we can help our children to develop emotional buoyancy and competence by experiencing life's joys and successes as well as its challenges and setbacks When this is done within the safety of supportive relationships especially in families and communities one building block at a time from birth to 12 children can grow into being the capable independent adults we all yearn to meet one day About Maggie Commonly known as the queen of common sense Maggie Dent has become one of Australia's favourite parenting authors and educators with a particular interest in the early years adolescence and resilience Maggie's experience includes teaching counselling and working in palliative care funeral services and suicide prevention She is a dedicated advocate to quietly changing lives in our families and communities She is the mother of four sons and a very grateful grandmother Maggie is the author of 11 books including her 2018 release *Mothering Our Boys* which is already a bestseller [Awakening Joy for Kids](#)

James Baraz,Michele Lilyanna,2016-08-09 Awarded the 2016 Nautilus Gold Medal for Parenting and Family Spirit Rock founder author and teacher James Baraz's *Awakening Joy* offers his large and devoted readership a program to gain contentment and happiness by cultivating the seeds of joy within Here he joins with Michele Lilyanna a classroom teacher for 25 years to offer caregivers and children ways to find joy in each day together This unique offering nourishes both adults and kids James

shares the practices for the adults parents caregivers and teachers Michele offers her own experiences as a parent and as a teacher showing how the themes work with kids followed by the tried and true lessons that she s used herself in the classroom and at home Packed with practices and activities that James and Michele have gathered over their many years of working with thousands of adults and children in retreats workshops and the classroom Awakening Joy for Kids is imbued with compassion and delight Part of Parallax Press growing curriculum for parents and educators designed to cultivate joy and mindfulness in children *Parenting Right From the Start* Vanessa Lapointe,2019-10-08 In this book her follow up to the bestseller Discipline Without Damage Dr Lapointe advises new parents how to put their child on a path to optimal development during the crucial early years The baby and toddler years are the most important period for any child s emotional and psychological development Parents naturally want to do what s best for their kids but they often struggle to know what that is especially when dealing with the big battlegrounds of sleep feeding and managing aggression The latest scientific research indicates that it is through a strong and stable sense of connection to their parents that children learn how to regulate their emotions master social skills and develop a sense of identity Unfortunately many of the currently accepted parenting practices and traditional attitudes disrupt healthy connection rather than foster it leading to behavioral issues and emotional problems that can last into adulthood Dr Lapointe helps parents to understand how mindful and conscious parenting can help them to avoid passing unhealthy patterns down from one generation to the next Rooted in compassion and understanding Parenting Right From the Start shows parents how to build a firm caring presence in the early years that a child can lean into for a lifetime
