Book Fardwor Russia Fantastical Under Putin:

Fardwor, Russia! Oleg Kashin, 2016-01-12 When a scientist experimenting on humans in a sanatorium near Moscow gives a growth serum to a dwarf oil mogul the newly heightened businessman runs off with the experimenter's wife and a series of mysterious deaths and crimes commences Fantastical and wonderfully strange this political parable has an uncanny resonance with today's Russia under Putin

Putin's Virtual War William Nester, 2020-02-19 A look at the Russian leader's successful use of hard military and economic power and soft psychological power through information warfare or fake news Vladimir Putin has tightly ruled Russia since 31 December 1999 and will firmly assert power from the Kremlin for the foreseeable future Many fear and loath him for his brutality for ordering opponents imprisoned on trumped up charges and even murdered Yet most Russians adore him for rebuilding the economy state authority and national pride Putin has mastered the art of power Depending on what is at stake that involves the deft wielding of appropriate or smart ingredients of hard physical power like armored divisions multinational corporations and assassins and soft psychological power like diplomats honey traps cyber trolls and fake news factories to defeat threats and seize opportunities Russian hackers penetrated the Democratic National Committee DNC and Hillary Clinton's campaign organization extracted tens of thousands of potentially embarrassing emails and posted them on WikiLeaks As the Kremlin's latest ruler Putin like most of his predecessors is as realistic as he is ruthless He knows the limits of Russian hard and soft power while constantly trying to expand them He is doing whatever he can to advance Russian national interests as he interprets them In Putin's mind Russia can rise only as far as the West can fall And on multiple fronts he is methodically advancing to those ends Putin's Virtual War reveals just how and why he does so and the dire consequences for America Europe and the world beyond The author has set out the dangers that Putin has brought to the world in a must read book Firetrench
