**The Next Worship** Sandra Maria Van Opstal, 2015-12-08 What happens when a diverse church glorifies the global God Innovative worship leader Sandra Van Opstal provides biblical foundations for multiethnic worship with practical tools and resources for planning services that reflect God's invitation for all peoples to praise him When multiethnic worship is done well the church models reconciliation and prophetic justice for every tribe and tongue [The Lord Roars \(Theological Explorations for the Church Catholic\)](#) M. Daniel Carroll R., 2022-08-16 The world cries out for a prophetic word to the chaos unrest and destructiveness of our times Can the biblical prophets speak into our world today Old Testament ethicist M Daniel Carroll R shows that learning from the prophets can make us better prepared for Christian witness In this guide to the ethical material of Old Testament prophetic literature Carroll highlights key ethical concerns of the three prophets most associated with social critique Amos Isaiah and Micah showing their relevance for those who wish to speak with a prophetic voice today The book focuses on the pride that generates injustice and the religious life that legitimates an unacceptable status quo both of which bring judgment as well as the ethical importance of the visions of restoration after divine judgment Each of these components in the biblical text makes its own particular call to readers to respond in an appropriate manner The book also links biblical teaching with prophetic voices of the modern era **The Next Worship** Sandra Maria Van Opstal, 2015-12-03 What happens when a diverse church glorifies the global God Pioneering worship leader Sandra Van Opstal provides biblical foundations for multiethnic worship with practical tools and resources for planning services that reflect God's invitation for all peoples to praise him When multiethnic worship is done well the church models reconciliation and prophetic justice for every tribe and tongue [A Better Country:](#) Cindy M. Wu, 2017-04-18 This study aims to help Christians specifically Christians in the United States think theologically and practically about the global refugee crisis The workbook is divided into seven lessons including a Personal Action Plan as your concluding application You can do the lessons on your own or in a group setting You will probably find the greatest benefit by working through the workbook with others and hearing other perspectives *Intercultural Church* Safwat Marzouk, 2019-10-01 Safwat Marzouk offers a biblical vision for what it means to be an intercultural church one that fosters just diversity integrates different cultural articulations of faith and worship and embodies an alternative to the politics of assimilation and segregation A church that fosters intercultural identity learns how to embrace and celebrate difference which in turn enriches its worship and ministry While the church in North America might see migration as an opportunity to serve God's kingdom by showing hospitality to the migrant and the alien migration offers the church an opportunity to renew itself by rediscovering the biblical vision of the church as a diverse community This biblical vision views cultural linguistic racial and ethnic differences as gifts from God that can enrich the church's worship deepen the sense of fellowship in the church and broaden the church's witness to God's reconciling mission in the world Today's church faces the challenge of what it means to be church in the light of the ever

growing diversity of the population This may entail advocacy work on behalf of the undocumented asylum seekers and refugees but the church also faces the question of how to welcome the stranger the migrant and the refugee into the heart of the worshipping community This may mean changing worship leadership or ministry styles to embrace diverse communities in the church s neighborhood Marzouk surveys numerous biblical texts from the early ancestor stories of Israel to the Prophets to the Gospels and Acts the letters of Paul and Revelation The stories introduce themes of welcoming strangers living as aliens playing host to outsiders discovering true worship and seeking common language for expressing faith Discussion questions are provided to encourage conversation on this complex and important topic      *Worship with Teenagers* Eric L. Mathis, 2022-02-15 This book addresses the vital role of public Christian worship in adolescent spiritual formation and shows how important youth ministry and worship ministry are to each other Despite numerous research projects books articles and resources that have been published about teenagers and about worship in recent years the relationship between the two has been addressed only peripherally if not altogether overlooked Drawing on his extensive experience in worship ministry and youth ministry Eric Mathis offers insights into the worship practices of teenagers corrects common misperceptions about worship and critically examines four prominent worship models in current practice Mathis invites youth pastors worship leaders ministerial students and congregations to elevate the voices of young people in the worshipping community and enhance worship for all ages The book includes a foreword by Kenda Creasy Dean      **Arts Across Cultures** Soh Anne M. Y. Soh, 2022 In today s highly connected world many people are still unfamiliar with the good news of Christianity How do we invite them to think afresh about the Christian message and the Christian faith What is the role of the arts in mission How could we as artists explore ideas about mission pp pp This book seeks to address and answer these questions by showing the potential of the arts to impact the life and mission of the church It suggests how the arts can enhance worship and witness and help transform the wider world It demonstrates what being a missional artist means how the two parts of that vocation fit together and examines the nurture and training such artists need pp pp The book looks at how the performing arts such as music and drama the visual arts digital media and the use of creative arts workshops can form a rich tapestry to bring out the Christian faith in church and beyond Against the backdrop of global flows that reach into every local community it connects the arts to mission in culturally relevant ways by revealing how Christians from different contexts can work together drawing on the arts across cultures to reimagine the Christian faith so as to speak powerfully to contemporary peoples and cultures in our ever changing world pp pp Not just designed for artists and mission partners the book is also for pastors and leaders of churches and mission agencies to illustrate how the arts and artists can be embraced in creative ways to fulfill the task of mission in our increasingly globalized world pp pp Written by practitioners with firsthand experience of these issues this book challenges the reader to widen their horizons in thinking about the vast possibilities for the role of the arts across cultures the arts in mission and missional artists in the sharing of the good news      *From*
