## **Book Prey Trilogy Tom Isbell:**

The Prey (The Prey Series, Book 1) Tom Isbell, 2015-03-12 In the Republic of the True America it's always hunting season. Riveting action, intense romance, and gripping emotion make this fast-paced adventure a standout debut. **The Release (The Prey Series)** Tom Isbell, 2017-02-14 The Prey trilogy comes to a thrilling conclusion in **THE RELEASE** as the group must risk everything, including their lives, in order to defeat their enemies. Perfect for fans of *THE MAZE RUNNER*. **The Release** Tom Isbell, 2018-01-16 The Release is the thrilling YA conclusion to Tom Isbell's suspenseful post-apocalyptic Prey series, perfect for fans of *The Maze Runner*. Two months have passed since Book Cat Hope and the others rescued the remaining Less Thans from Liberty, but they aren't safe yet, and soon they'll have to risk everything in order to defeat their enemies. The group must leave the camp for good and escape the wolves, the Brown Shirts, and the Hunters. Most important, they need to stop Chancellor Maddox before she executes her Final Solution and grows even more powerful. While the others are seeking freedom for Hope, the battle has become personal. She wants revenge, no matter what the cost, and she's willing to sacrifice anything standing in her way. The group may still be weak, but they don't have time to wait. They must overthrow the Chancellor, even if it means joining forces with those who once betrayed them. The Capture Tom Isbell, 2016-01-25 *THE MAZE RUNNER* meets *THE HUNGER GAMES* in this heart-pounding teen trilogy. This daring sequel to *THE PREY* is a riveting story of survival, courage, and doing what's right, no matter how hard. Every night I dreamt of the bunker beneath the tennis court. I couldn't let it go. As bad as the memory was, my dreams only made it worse. It was why we had to get back to Camp Liberty. Why we had to free them too. Book Hope and Cat can't settle into their new free lives, knowing that other LTs and Sisters are still imprisoned at the camp. But with new enemies lurking in the shadows, a rescue mission will not be easy. The group must put their fate in the hands of unexpected allies, but at what cost? They must ask themselves what they're willing to do to free their friends, and what will happen if the place they left behind is no longer the way it was. **The Prey** Tom Isbell, 2016-01-19 An award-winning playwright presents a debut trilogy set in the predatory Republic of the True America, where 16-year-old teens, labeled for their birth defects, flee their training camps when they learn they are to be hunted for sport. *Arts & Humanities Citation Index*, 1980 A multidisciplinary index covering the journal literature of the arts and humanities. It fully covers 1,144 of the world's leading arts and humanities journals and indexes individually selected relevant items from over 6,800 major science and social science journals. The Prey Andrew Fukuda, 2013-01-31 For Gene and the remaining humans, or hepers, death is just a heartbeat away. On the run and hunted by society, they must find a way to survive in The Vast and avoid the hungry predators tracking them in the dark. But they're not the only things following Gene. He's haunted by the girl he left behind, and his burgeoning feelings for Sissy, the human girl at his side. When they discover a refuge of exiled humans living high in the mountains, Gene and his friends think they're finally safe. Led by a group of intensely secretive elders, the civilisation begins to raise more questions than answers. A strict code of behaviour is

the rule harsh punishments are meted out young men are nowhere to be found and Gene begins to wonder if the world they ve entered is just as evil as the one they left behind As life at the refuge grows more perilous he and Sissy only grow closer In an increasingly violent world all they have is each other if they can only stay alive     Prey Tom Doherty Associates, LLC,
