In Search of Japan's Hidden Christians John Dougill, 2016-09-15 In Search of Japan's Hidden Christians is a remarkable story of suppression secrecy and survival in the face of human cruelty and God's apparent silence Part history part travelogue it explores and seeks to explain a clash of civilizations of East and West that resonates to this day For seven generations Japan's Hidden Christians preserved a faith that was forbidden on pain of death Just as remarkably descendants of the Hidden Christians continue to practise their beliefs today refusing to rejoin the Catholic Church Why And what is it about Japanese culture that makes it so resistant to Western Christianity

Our Church Speaks Ben Lansing, D. J. Marotta, 2024-10-29 This vividly illustrated devotional offers fifty two profound images and reflections on great women and men of faith from Polycarp in the first century to the martyrs of Sudan in the twenty first These saints from every continent and century will spark your imagination helping you to be faithful in our own age

[Precious in the Eyes of the Lord](#) Ray E. Atwood, 2022-02-03 There are many fine published works on the lives and deaths of martyrs and there is no shortage of information on the martyrs of history However it is difficult to find one source that describes the lives of martyrs in a comprehensive way Precious in the Eyes of the Lord Martyrdom in Christian Tradition presents an account of one hundred martyrs across history Beginning with the first martyr Abel in the Old Testament and concluding with the Acteal martyrs of Mexico in the late twentieth century the stories of these men and women not only highlight the virtues of charity fortitude and patriotism but also reveal the love of God in their hearts

Christ's Samurai Jonathan Clements, 2016-04-07 The sect was said to harbour dark designs to overthrow the government Its teachers used a dead language that was impenetrable to all but the innermost circle of believers Its priests preached love and kindness but helped local warlords acquire firearms They encouraged believers to cast aside their earthly allegiances and swear loyalty to a foreign god emperor before seeking paradise in terrible martyrdoms The cult was in open revolt led it was said by a boy sorcerer Farmers claiming to have the blessing of an alien god had bested trained samurai in combat and proclaimed that fires in the sky would soon bring about the end of the world The Shogun called old soldiers out of retirement for one last battle before peace could be declared in Japan For there to be an end to war he said the Christians would have to die This is a true story

Encyclopedia of Christianity in the Global South Mark A. Lamport, 2018-06-01 Christianity has transformed many times in its 2 000 year history from its roots in the Middle East to its presence around the world today From the mid twentieth century onward the presence of Christianity has increased dramatically in Asia Africa and Latin America and the majority of the world's Christians are now nonwhite and non Western The Encyclopedia of Christianity in the Global South traces both the historical evolution and contemporary themes in Christianity in more than 150 countries and regions The volumes include maps images and a detailed timeline of key events The phrases Global Christianity and World Christianity are inadequate to convey the complexity of the countries and regions involved this encyclopedia with its more than 500 entries aims to offer rich

perspectives on the varieties of Christianity where it is growing how the spread of Christianity shapes the faith in various regions and how the faith is changing worldwide
