[Surrender](#) Sonya Hartnett,2006 Publisher Description *Surrender by Sonya Hartnett* Kevin Brophy,2006 [The Bulletin](#) ,2006 **Crossover Fiction** Sandra L. Beckett,2010-11-24 In Crossover Fiction Sandra L Beckett explores the global trend of crossover literature and explains how it is transforming literary canons concepts of readership the status of authors the publishing industry and bookselling practices This study will have significant relevance across disciplines as scholars in literary studies media and cultural studies visual arts education psychology and sociology examine the increasingly blurred borderlines between adults and young people in contemporary society notably with regard to their consumption of popular culture **Children's Writer Guide to 2006** Susan M. Tierney,2006 The 13th annual edition of Guide brings together the wisdom and perspectives of 250 editors publishers agents and writers covering the full range of children s markets and writing techniques **Prizing Children's Literature** Kenneth B. Kidd,Joseph T. Thomas Jr.,2016-11-10 Children s book awards have mushroomed since the early twentieth century and especially since the 1960s when literary prizing became a favored strategy for both commercial promotion and canon making There are over 300 awards for English language titles alone but despite the profound impact of children s book awards scholars have paid relatively little attention to them This book is the first scholarly volume devoted to the analysis of Anglophone children s book awards in historical and cultural context With attention to both political and aesthetic concerns the book offers original and diverse scholarship on prizing practices and their consequences in Australia Canada and especially the United States Contributors offer both case studies of particular awards and analysis of broader trends in literary evaluation and elevation drawing on theoretical work on canonization and cultural capital Sections interrogate the complex and often unconscious ideological work of prizing the ongoing tension between formalist awards and so called identity based awards all the more urgent in light of the We Need Diverse Books campaign the ever morphing forms and parameters of prizing and scholarly practices of prizing Among the many awards discussed are the Pura Belpré Medal the Inky Awards the Canada Governor General Literary Award the Printz Award the Best Animated Feature Oscar the Phoenix Award and the John Newbery Medal giving due attention to prizes for fiction as well as for non fiction poetry and film This volume will interest scholars in literary and cultural studies social history book history sociology education library and information science and anyone concerned with children s literature [Campbell's Scoop](#) Patty Campbell,2010-02-19 At the request of her many fans Patty Campbell editor of the Scarecrow Studies in Young Adult Literature series has selected some of her best essays articles columns and speeches in Campbell s Scoop These pieces define the boundaries between children s and adult literature and review the trends censorship problems and glories of the genre Other essays reflect on some concerns and interests of young adult literature as it has matured the verse novel ambivalent endings violence the sometimes dubious value of awards and honor lists the graphic novel and the difficulties of the genre s recent overwhelming success A section titled Inside ALA looks at the

author's many years of service to that organization with among other pieces a firsthand look at the Best Books committee at work and a report of her attempt to unite booksellers and librarians in common cause. Many of these selections show the idiosyncratic wit and passion that have made Campbell's column a favorite with Horn Book readers: an exploration of the meaning of the glut of YA novels with death as a theme or character; an indignant denunciation of the fictional abuse of animals; a snarky analysis of chick lit; and a technical review from the belly dancing critic of a YA novel featuring that ancient art. On a more serious note, Campbell pleads for what she calls Godsearch in books for teens and pays tribute to her late friend Robert Cormier. Without question, the essays in Campbell's *Scoop* provide readers with the unique insights of an advocate who is passionate about young adult literature and its future.
