*Publishing Online for Writers* Lisa Kesteven, 2023-08-04 Publishing online can be a daunting prospect for any writer. This book equips aspiring writers with a range of practical skills and tactics for entering the online publishing world. It will guide readers on where and how to publish online whether writing for magazines, journals, blogs or podcasts. The textbook includes practical exercises for developing skills such as producing an e-book, creating an e-book marketing strategy and building an online writer's presence. It also features step-by-step guides, examples and checklists that help readers research and find appropriate sites to submit work to and show how to take a completed manuscript through to publication. This textbook will appeal to students, freelance writers, creative writers, poets, novelists and anyone interested in publishing content online to promote and sell their work more effectively.

**The Writer's Handbook** J. Paul Dyson, The 2015 edition of [firstwriter.com](http://firstwriter.com)'s bestselling directory for writers provides details of over 1 200 literary agents, book publishers and magazines including revised and updated listings from the 2014 edition and over 380 brand new entries. Tips and advice are provided by top literary agent Andrew Lownie of the Andrew Lownie Literary Agency Ltd, named by Publishers Marketplace as the top selling agent worldwide. Subject indexes for each area provide easy access to the markets you need with specific lists for everything from romance publishers to poetry magazines to literary agents interested in thrillers. International markets become more accessible than ever with listings that cover both the main publishing centres of New York and London as well as markets in other English speaking countries. With more and more agents, publishers and magazines accepting submissions by email, this international outlook is now more important than ever. There are no adverts, no advertorials and no obscure listings padding out hundreds of pages. By including only what's important to writers, contact details for literary agents, publishers and magazines, this directory is able to provide more listings than its competitors at a substantially lower price. The book also allows you to create a subscription to the [firstwriter.com](http://firstwriter.com) website for free until 2016. This means you can get free access to the [firstwriter.com](http://firstwriter.com) website where you can find even more listings and also benefit from other features such as advanced searches, daily email updates, feedback from users about the markets, featured saved searches, competitions, listings, searchable personal notes and more. I know firsthand how lonely and dispiriting trying to find an agent and publisher can be. So it's great to find a resource like [firstwriter.com](http://firstwriter.com) that provides contacts, advice and encouragement to aspiring writers. I've been recommending it for years now. Robin Wade, literary agent at the Wade Doherty Literary Agency Ltd, and long term [firstwriter.com](http://firstwriter.com) subscriber.
