 The Great Forgetting James Renner,2015-11-10 Jack Felter a history teacher returns home to bucolic Franklin Mills Ohio to care for his father a retired pilot who suffers from dementia and is quickly losing his memory Jack would love to forget about Franklin Mills and about Sam the girl he fell in love with who ran off with his best friend Tony Except Tony has gone missing Soon Jack is pulled into the search for Tony but the only one who seems to know anything is Tony s last patient a paranoid boy named Cole Jack must team up with Cole to follow Tony s trail and maybe save the world Their journey will lead them to Manhattan and secret facilities buried under the Catskills and eventually to a forgotten island in the Pacific the final destination of Malaysia Airlines Flight 370 When Jack learns the details about the program known as the Great Forgetting he s faced with the timeless question Is it better to forget our greatest mistake or to remember so it s never repeated   **Play Among Books** Miro Roman,Alice _ch3n81,2021-12-06 How does coding change the way we think about architecture This question opens up an important research perspective In this book Miro Roman and his AI Alice_ch3n81 develop a playful scenario in which they propose coding as the new literacy of information They convey knowledge in the form of a project model that links the fields of architecture and information through two interwoven narrative strands in an infinite flow of real books Focusing on the intersection of information technology and architectural formulation the authors create an evolving intellectual reflection on digital architecture and computer science   **True Crime Addict** James Renner,2016-05-24 As seen on the Oxygen mini series The Disappearance of Maura Murray When an eleven year old James Renner fell in love with Amy Mihaljevic the missing girl seen on posters all over his neighborhood it was the beginning of a lifelong obsession with true crime That obsession leads James to a successful career as an investigative journalist It also gave him PTSD In 2011 James began researching the strange disappearance of Maura Murray a UMass student who went missing after wrecking her car in rural New Hampshire in 2004 Over the course of his investigation he uncovers numerous important and shocking new clues about what may have happened to Maura but also finds himself in increasingly dangerous situations with little regard for his own well being As his quest to find Maura deepens the case starts taking a toll on his personal life which begins to spiral out of control The result is an absorbing dual investigation of the complicated story of the All American girl who went missing and James s own equally complicated true crime addiction James Renner s True Crime Addict is the story of his spellbinding investigation of the missing person s case of Maura Murray which has taken on a life of its own for armchair sleuths across the web In the spirit of David Fincher s Zodiac it is a fascinating look at a case that has eluded authorities and one man s obsessive quest for the answers   **Joyce in the Belly of the Big Truck; Workbook** Joyce A.
