Strategic Management Accounting in a Network Economy Wingsun Li, 2023-08-26 This book continues from author's first SMA publication in 2018 also by Springer and discusses the new roles of SMA in the new network economy Emerging digital technologies have revolutionized the business world with groundbreaking rules and innovative business models New knowledge and information technologies have inspired new business ideas and created more information platforms at a lower cost yet highly efficient in the market The new business transformation also encourages more inter organizational cooperation to cope with rapid changes All these novelties add challenges to corporate individuals in managing businesses beyond their organizations in particular financial professionals e g CFO who are experts in the team Therefore SMA is assigned a new role in the new network economy Similarly SMA calls for major updates and revisions This urges author to write this book to meet the new demand The author has selected important topics that are particularly pertinent to the new Internet economy These topics include how to make decisions under business uncertainty how to value businesses in general Internet stocks and intangible assets in particular Business collaboration and integration are usual means to acquire synergy value How does SMA help deliver the best results How are business models and information platforms built as sense making revenue models even though these platforms never charge for services How is market power and brand value measured How does trust supplement control in new network organizations Finally how is value created captured and allocated in a fair manner The book goes through detailed examinations of each topic with cases examples and illustrations as required

Doing Business in China Giles Chance, 2022-12-20 Extensively revised the fifth edition of this successful textbook offers a practical framework for approaching and carrying out business in China Building on the strengths of the previous editions and on the 30 year China business experience of the author the book provides a guide to market entry managing operations and marketing in this unique social and cultural environment including Why foreign businesses in China need to understand and interact with government in China both central and local and how best to do this New and revised case studies including case studies on successful companies entering and operating in China such as Volkswagen Hermes Honeywell and Diageo An in depth focus on internet marketing in China Choosing business partners and negotiating Dos and don ts Updated to include information on new government policy on trade partnerships commercial law and anti corruption drives the fifth edition of *Doing Business in China* will continue to be the preferred text for international students of Chinese business and management studies and for practitioners with an eye on China

Global Perspectives on Health Promotion Effectiveness David V. McQueen, Catherine Jones, 2007-06-13 As health improvement initiatives take center stage worldwide public health professionals face an ongoing challenge to prove that the programs are worthwhile and that interventions make an impact The Global Programme on Health Promotion Effectiveness GPHPE of the International Union for Health Promotion and Education takes on this challenge in *Global Perspectives on Health Promotion Effectiveness* Fifty five contributors

representing six continents come together to analyze major programs around the world and evaluate their effectiveness The result is a symposium in a book the first in a series representing the best critical thinking on crucial issues such as these Assessment of evidence and evaluation of effectiveness in an international context Synthesis of progress on the various GPHPE regional projects with candid evaluations of strengths and limitations and factors unique to each region Advocacy to strengthen the evidence base for mental health promotion physical activity promotion and a wide range of settings based health promotion interventions Challenges to health promotion and its assessment including peace building urbanization globalization and social determinants Global debates on emerging health promotion arenas equity methodology partnership development in adverse political climates and others as to whether or not traditional concepts of evidence impact and outcomes can be applied Global Perspectives on Health Promotion Effectiveness is a significant document with profound implications for practitioners involved in implementing health promotion programs It will serve as a vital source of frontline knowledge for researchers and students of public health

Health Promotion in Multicultural Populations Michael V. Kline, Robert M. Huff, 2008-06-11 The thoroughly updated Second Edition of Health Promotion in Multicultural Populations grounds readers in the understanding that health promotion programs in multicultural settings require an in depth knowledge of the cultural group being targeted Numerous advances and improvements in theory and practice in health promotion and disease prevention HPDP are presented Editors Michael V Kline and Robert M Huff have expanded the book to include increased attention directed to students and instructors while also continuing to provide a handbook for practitioners in the field This book combines the necessary pedagogical features of a textbook with the scholarship found in a traditional handbook Several new chapters have been added early in the text to provide stronger foundations for understanding the five sections that follow The book considers five specific multicultural groups Hispanic Latino African American American Indian and Alaska Native Asian American and Pacific Islander populations The first chapter in each of the five population group sections presents an overview devoted to understanding this special population from a variety of perspectives The second chapter of each section explains how to assess plan implement and evaluate health promotion programs for each of the specific groups The third chapter in each section highlights a case study to emphasize points made in the overview and planning chapters The fourth chapter in each section provides Tips for working with the cultural groups described in that section New to the Second Edition Devotes a chapter to traditional health beliefs and traditions that can help the practitioner better understand how these beliefs and traditions can impact on Western biomedical practices Contains a new chapter that evaluates health disparities across the U S Presents a new chapter that examines ethical dilemmas and considerations in a multicultural context Offers updated citations and content throughout Gives selected Web sites of interest Intended Audience This book is ideal for practitioners and students in the fields of health promotion and education public health nursing medicine psychology sociology social work physical therapy radiology technology and other

allied professions International Fashion Marketing Kamilla Jones,2026-01-03 Ideal for upper level undergraduate and postgraduate students studying Fashion Marketing Management and Merchandising this textbook considers how fashion brands adapt their products and marketing strategies and campaigns to align with regional preferences and cultural differences International Fashion Marketing looks at how successful brands Craft a distinct image voice and aesthetic that reflects their values whether it s luxury sustainable or trend driven fashion Develop relationships with consumers and build communities through digital channels retail and international exhibitions experiences and events Consider the broader issues of sustainability and ethical fashion practices in line with brand ethos and consumer expectations This textbook will help students to create impact through branding marketing and consumer engagement in a global fashion industry Real world examples are included from fast fashion to luxury brands such as Shein Uniqlo Nike Louis Vuitton and Jacquemus Online resources offer additional support with PowerPoint lecturer slides and more real world examples from leading fashion brands
