**Agile Application Security** Laura Bell, Michael Brunton-Spall, Rich Smith, Jim Bird, 2017-09-08 Agile continues to be the most adopted software development methodology among organizations worldwide but it generally hasn't integrated well with traditional security management techniques. And most security professionals aren't up to speed in their understanding and experience of agile development. To help bridge the divide between these two worlds this practical guide introduces several security tools and techniques adapted specifically to integrate with agile development. Written by security experts and agile veterans this book begins by introducing security principles to agile practitioners and agile principles to security practitioners. The authors also reveal problems they encountered in their own experiences with agile security and how they worked to solve them. You'll learn how to Add security practices to each stage of your existing development lifecycle. Integrate security with planning requirements design and at the code level. Include security testing as part of your team's effort to deliver working software in each release. Implement regulatory compliance in an agile or DevOps environment. Build an effective security program through a culture of empathy openness transparency and collaboration

**Strategic Management** John A. Parnell, 2013-01-15 Balancing theory with practice this fully updated fourth edition of John A Parnell's acclaimed text continues to provide detailed accessible coverage of the strategic management field. Taking a global perspective the text addresses concepts sequentially from external and internal analysis to strategy formulation strategy execution and strategic control. To help readers build their analytic skills as they master course concepts Parnell aligns each chapter's key concepts with 25 case analysis steps. Current examples and high interest cases largely drawn from The Wall Street Journal and Financial Times illustrate the key role of strategic management in the United States and around the world. Ideal for the capstone strategic management course Strategic Management is appropriate for a range of undergraduate and graduate courses
