The New York Times Theatre Reviews 1999-2000 New York Times Theater Reviews,2001-12 This volume is a comprehensive collection of critical essays on The Taming of the Shrew and includes extensive discussions of the play s various printed versions and its theatrical productions Aspinall has included only those essays that offer the most influential and controversial arguments surrounding the play The issues discussed include gender authority female autonomy and unruliness courtship and marriage language and speech and performance and theatricality Faith for the Filthy, Foul and Flawed Greg Detter,2022-02-16 Faith for the Filthy Foul and Flawed By Greg Detter Everywhere you look you find the cookie cutter Christians whose nails are clean lawns are manicured and closets are free from skeletons God speaks to them ever so clearly and they re never unarmed with a finely articulated prayer and a perfectly baked casserole ready to deliver with a caring smile and a twinkle in the eye But what about the rest of us What about those of us who battle a foul mouth or a short temper too flawed to really be loved whose minds wander during the sermon and who can t kick those negative thoughts out of our minds What about those of us who don t understand all of Christianity s complicated issues and struggle to make sense of life s delicate problems We re out here and we re not alone And God loves us all just the same Faith for the Filthy Foul and Flawed is for the unwashed masses who can t quite identify with the typical TV Christian This is a funny inspirational journey for the Christian with questions and those who simply can t imagine a God willing to love and forgive them for their many missteps **West Coast Review of Books** ,1986 **Book Review Index** Gary C.
