Jones who gained unprecedeted access to the production this guide takes you deeper than any review could. Whether you're a Ryan Murphy devotee a Kardashian follower or simply fascinated by stories of women claiming power in a world designed to limit them this is your insider's pass to television's most talked about series. The courtroom doors are opening. Are you ready to step inside **From Networks to Netflix** Derek Johnson, 2018-01-03. Even as the television industry experiences significant transformation and disruption in the face of streaming and online delivery the television channel itself persists. If anything the television channel landscape has become more complex to navigate as viewers can now choose between broadcast cable streaming and premium services across a host of different platforms and devices. **From Networks to Netflix** provides an authoritative answer to that navigational need helping students, instructors, and scholars understand these industrial changes through the lens of the channel. Through examination of emerging services like Hulu and Amazon Prime Video, investigation of YouTube channels and cable outlets like Freeform and Comedy Central and critiques of broadcast giants like ABC and PBS this book offers a concrete, tangible means of exploring the foundations of a changing industry.
