International Sports Law and Business Aaron N. Wise, Bruce S. Meyer, 1997-05-23 This comprehensive three volume set focuses on the legal and business aspects of sports in the United States and abroad. The authors have presented the subject matter from a practical and pragmatic perspective yet with analytical precision and attention to fine points of detail. This book is composed of five parts. Part I deals with the law and business of sports in the United States with the primary emphasis on the legal aspects of professional sports. Part II deals with the internationalization of sports from various perspectives principally North American team sports. Part III explores the law and business of sports in 18 non U.S. jurisdictions subject matter hardly covered in other sources if at all. Part IV treats the legal and to some extent business aspects of broadcasting and sports both in the United States and in selected foreign jurisdictions. Part V focuses upon sports marketing in its various forms in the United States as well as its international perspectives. This easy to read work is unmatched in that it covers subjects not addressed or only tangentially addressed in other works. It presents insiders perspectives on the subject matter and focuses extensively on international aspects of sports law and business in connection with many different subjects. Among its exhibits *International Sports Law and Business* includes a World League of American Football Standard Player Contract form a sample World League of American Football Acquisition and Operation Agreement Statute of Court of Arbitration for Sport and Regulations. It also includes a comprehensive index.

Radio David J. Halberstam, 1999 Radio is purely the announcer's medium. Accordingly most of the best sports broadcasting has been done not on television but on radio. David Halberstam writes from the knowledgeable and nuanced perspective of one who practices respects and understands the craft and its history. Bob Costas NBC Sports. Some of my friends and associates do not believe there was civilization before television but I assure them that listening to Red Barber on radio from Ebbets Field or to Marty Glickman from Madison Square Garden was better than watching television. It was magic. Sports on New York Radio brings back memories of that magic. Reading about the many gifted radio voices who covered the Dodgers, Yankees, Giants, Rangers, Jets, the fights and so much more reinforces my early conviction that I would never be a broadcaster. How I made it to even the brink of such company still baffles me. Dick Schaap ABC News, The Sports Reporters ESPN. I grew up with Red Barber, Mel Allen and Marty Glickman. They were warm friendly great voices. Through the radio they brilliantly linked the fan with the game. David Halberstam captures the colorful history and many great memories of sports on the radio. Robert Merrill 1 1 2 New York Yankees, New York Metropolitan Opera. The next best thing to sports on radio is reading about the perfect marriage of sports and radio. Halberstam takes us there. The information is riveting, the anecdotes hilarious. Radio lives in these pages. Vic Ziegel Columnist New York Daily News. Sports radio in New York has spawned many broadcast legends and David Halberstam has captured them in his thoughtful book. David W. Checketts President and CEO Madison Square Garden. Newsweek, 1973.
