Science Experiments Vs Returns:

Returning to Scientific Practice Xu Zhu, Wu Tong, 2019-05-17 This book is a result from a collective study on philosophy of scientific practice PSP which began around 2002 and still ongoing There is an apparently increasing interest in scientific practice influenced by the historicistic philosophy of science and the sociology of scientific knowledge SSK Prof WU Tong and his research group believe that it is necessary for PSP to turn from the theory dominant position to the practice dominance PSP has also put forward the possibility of reinterpreting the epistemic status of local knowledge in Chinese tradition which provides the most significant motivation to participate this study In this book we have selected three main cases namely Chinese medicine Fengshui and Ethnobotany to examine the effect of PSP The aim of our collective study is not merely on theoretical construction of PSP but also to consider the various applications of PSP especially for re interpreting and demonstrating the variety of local knowledge from traditional China which seems to be a genuine contribution to the international enterprise of philosophy of science particularly made by Chinese scholars
