Emmy Winners Vs Same Day Delivery:

Glamour, Gidgets, and the Girl Next Door Herbie J Pilato, 2014-09-09 *Glamour Gidgets and the Girl Next Door* is the latest creation from entertainment biographer and pop culture consultant Herbie J Pilato. Based on exclusive celebrity interviews, this book runs the gamut of female television legends from Donna Douglas who played Elly May Clampett on *The Beverly Hillbillies* to the stars of the original *Charlie's Angels*. According to Pilato, there are so many charismatic women who have made their beauty mark in television. I wanted to celebrate their contributions not only with regard to aesthetic appeal but to honor the intelligence, individual wit, and unique talent and style that each of them have contributed to television and how that great medium in particular was utilized to introduce and showcase so many amazing and wonderful women to the world. Suffice it to say for exclusive and key information on TV's top leading ladies who shattered expectations and paved the way for successive generations, this book is the number one resource and go-to guide. **The Heir Expectant** Ross Neil, 1870

New York, 2009-07 *Jet*, 2008-01-07 The weekly source of African American political and entertainment news Cat Courier, 1925 *International Directory of Company Histories* Tina Grant, Thomas Derdak, 2003 When students, job candidates, business executives, historians, and investors need accurate and detailed information on the development of any of the world's 4550 largest and most influential companies, they need the *International Directory of Company Histories*. This multi-volume work brings together histories of companies that are a leading influence in a particular industry or geographic location from popular magazines, academic periodicals, books, annual reports, and the archives of the companies themselves. Entries provide information on founders, expansions, and losses, labour management actions, NAIC codes, key dates, ticker symbol, principal subsidiaries, principal divisions, principal operating units, principle competitors, and other significant milestones, all peppered with statistics, dates, and names of key players. Subsequent volumes are arranged alphabetically by company name within each volume. Each volume includes a cumulative index to companies and personal names. The histories were compiled from publicly accessible sources as well as from material supplied by the companies themselves. Entries on companies that have had major changes since they were last profiled may be selected for updating.
