Awesome Kid Coupons Dan Pearce, 2019-10-28

Being a kid isn't

It's always easy and most kids don't have a lot of control over what happens in their day to day lives. That's just part of being a kid. But what if the room didn't always have to be cleaned? What if bedtime didn't always have to be at a certain time? What if making a mistake didn't always lead to getting into trouble? What if your kids had access to coupons they could hand to you that allowed them to be just a little more human and to have just a little more control over their own lives in fun and limited ways? Awesome Kid Coupons offers your children just that featuring its 18 different kid coupons that your child can use in the moments they choose to use them. Each coupon has a fun and unique illustration by Dan Pearce that your kids can color before being able to use the coupon. This keeps them busy but also gives you fun keepsakes as their parent or guardian.

Coupons included: x2 Get out of trouble free, x1 No chores for the day, x2 An extra hour before bedtime, x1 Leave your room messy for ____ days, x1 Choose what we make for dinner, x1 Double your allowance, x1 A trip to eat at your favorite restaurant, x1 Choose what we watch, x1 Choose any game to play, x1 Choose the music we listen to, x1 Only eat the stuff on your plate that you like, x1 ____ to spend on _____, x1 ____ to spend at the store, x1 ____ extra minutes of screen time, x1 Invite a friend over to play, x1 A trip to ____.

In the back of the book your child will also get three different drawing challenges so that they can push their drawing skills in new and fun ways. Note from the Author/Illustrator Dan Pearce: I originally made a very similar coupon book for my son one Christmas when money was tight and I didn't have much for big or expensive gifts. I spent weeks drawing fun illustrations and coming up with coupons my child could use any time he wanted over the next year. He LOVED the finished project and now the number one thing he always puts on his list every year is more coupons. As parents we often forget that this human experience we all go through isn't always the easiest thing for our kids to navigate either. These coupons are an amazing way to not only let your kid be amazingly human but also to remind you as a parent that sometimes it's okay to give a little and not make rules or routines that never have exceptions. This in turn will help your kids be more supportive of the rules and routines that you do have to make as the awesome parent that you are.

Awesome Kid Coupons features pre-filled coupons that have universal kid struggles/topics. Be sure to check out the blank version of this book if you'd like to fill in all your own coupons with whatever you like or to base the coupons on the needs of your specific children.
