### **Tok Trending In The Us Open Now:**

*Dance in US Popular Culture* Jennifer Atkins, 2023-07-21 This innovative textbook applies basic dance history and theory to contemporary popular culture examples in order to examine our own ways of moving in and through culture By drawing on material relevant to students Dance in US Popular Culture successfully introduces students to critical thinking around the most personal of terrain our bodies and our identities The book asks readers to think about what embodied knowledge we carry with us and how we can understand history and society through that lens what stereotypes and accompanying expectations are embedded in performance related to gender and or race for instance how such expectations are reinforced negotiated challenged embraced or rescripted by performers and audiences how readers articulate their own sense of complex identity within the constantly shifting landscape of popular culture how this shapes an active sense of their everyday lives and how this can act as a springboard towards dismantling systems of oppression Through readings questions movement analyses and assignment prompts that take students from computer to nightclub and beyond Dance in US Popular Culture readers develop their own cultural sense of dance and the moving body s sociopolitical importance while also determining how dance is fundamentally applicable to their own identity This is the ideal textbook for high school and undergraduate students of dance and dance studies in BA and BfA courses as well as those studying popular culture from interdisciplinary perspectives including cultural studies media studies communication studies theater and performance studies Chapter 11 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution CC BY 4.0 license

**The Economics of the Popular Music Industry** Christie Byun, 2024-04-29 This book uses economic theory to explain how consumers and producers have responded to major changes in the music industry Byun examines the important role of technology in changing its structure particularly as new methods of creating and accessing music prove to be a double edged sword for creators and producers This second edition includes new information about concert attendance and live performance in the COVID era and what followed as well as the resultant economic impacts on the industry Throughout the book Byun questions how the business of music affects creativity and the extent to which this impacts the creative output of the individual artist Chapters also address copyright enforcement and online piracy This is an approachable resource for economists interested in the music industry as well as business and music majors studying the ways in which technology can impact a creative process

**TikTok Cultures in the United States** Trevor Boffone, 2022-04-03 TikTok Cultures in the United States examines the role of TikTok in US popular culture paying close attention to the app s growing body of subcultures Featuring an array of scholars from varied disciplines and backgrounds this book uses TikTok sub cultures as a point of departure from which to explore TikTok s role in US popular culture today Engaging with the extensive and growing scholarship on TikTok from international scholars chapters in this book create frameworks and blueprints from which to analyze TikTok within a distinctly US context examining topics such as gender and

sexuality feminism race and ethnicity and wellness Shaping TikTok as an interdisciplinary field in and of itself this insightful and timely volume will be of great interest to students and scholars of new and digital media social media popular culture communication studies sociology of media dance gender studies and performance studies      **Social Media Strategy** Keith A.
