**Of Things Under the Earth** Peter Andrew Castor,2002-09

Some people actually believe that Hell exists far beneath the surface of the earth Sound ridiculous A group called EarthMine was determined to find out the truth and what they discovered will shock you regardless of what you believe Of Things Under the Earth explores the consequences of mankind's determination to prove or disprove religious ideology that has for generations been accepted by faith alone But it's a different world now one shadowed by skepticism and verified only by what can be proven with science So what would happen if we were given a taste of what we were looking for
