Students practiced using the Quick Sketch graphic organizer as a pre writing tool to organize their narrative writing with a beginning, middle and end. They also practiced using the Adjective Organizer as a revising tool to include more adjectives in their writing. Students used the writing process: pre writing, drafting, revising, editing and publishing for each writing task. Data sets include six narrative writing pieces including a pre assessment and two post assessments. Results Comparisons of baseline and outcome data indicate one student made significant gains in both her organization and use of adjectives; one student made moderate gains and two students showed slight improvements throughout the intervention but did not show improvement on their post assessments. Conclusions Comparisons of baseline and outcome data indicate using graphic organizers that included guided questions along with illustrations helped students to organize their ideas and write a more organized paper.
