**Christine Geraghty**

## **Nationalising Femininity Culture Sexuality And British Cinema In The Second World War:**

**Nationalising Femininity** Christine Gledhill, Gillian Swanson, 1996 What was the relation between gender and nation when the waiting woman was displaced by the mobile woman and homes were flattened by bombs What happened to notions of femininity sexual difference and class as women moved into the workplace and donned dungarees military uniforms and utility clothing

**British Cinema in the Fifties** Christine Geraghty, 2002-01-04 In the fifties British cinema won large audiences with popular war films and comedies creating stars such as Dirk Bogarde and Kay Kendall and introducing the stereotypes of war hero boffin and comic bureaucrat which still help to define images of British national identity In *British Cinema in the Fifties* Christine Geraghty examines some of the most popular films of this period exploring the ways in which they approached contemporary social issues such as national identity the end of empire new gender roles and the care of children Through a series of case studies on films as diverse as *It Always Rains on Sunday* and *Genevieve* Simba and *The Wrong Arm of the Law* Geraghty explores some of the key debates about British cinema and film theory contesting current emphases on contradiction subversion and excess and exploring the curious mix of rebellion and conformity which marked British cinema in the post war era

**Film Propaganda in Britain and Nazi Germany** Jo Fox, 2006-12-01 Propaganda so crucial to winning the battle of hearts and minds in warfare witnessed a transformation during World War II when film was fast becoming the most popular form of entertainment In *Film Propaganda in Britain and Nazi Germany* Jo Fox compares how each country exploited their national cinema for political purposes Through an investigation of shorts and feature films the author looks at how both political propaganda films and escapist cinema were critical in maintaining the morale of civilians and the military and how this changed throughout the war While both countries shared certain similarities in their wartime propaganda films a harking back to a glorious historic past for example the thematic differences reveal important distinctions between cultures This book offers new insight into the shifting pattern of morale during World War II and highlights a key moment in propaganda film history

**Sex and Sexuality in a Feminist World** Karen A. Ritzenhoff, Katherine A. Hermes, 2009 Sex and sexuality are topics that have defined feminism since its inception What has changed is that there is now a generation of feminists and scholars who are comfortable not only to write in their own disciplines but who incorporate feminist ideas in their research This book assembles a variety of essays most of which were written especially for this collection that negotiate sex and sexuality in historical contexts as well as in contemporary times There is a common ground of history and popular culture among the articles While different theories of feminism operate in these essays feminist lenses have allowed the reevaluation of familiar topics from early religious practices to medieval literature to current films and advertising The authors represented in this collection range from established feminist and gender scholars to those who employ feminist theoretical frameworks in their respective disciplines

*Journal for the Study of British Cultures*, 1998

**The British at War** James Chapman, 1998-12-31 British film propaganda efforts during the Second World

War have tended to be presented as a shambles James Chapman argues that this is not so in this first comprehensive history of wartime film propaganda policy in Britain He examines the role of the cinema as a vehicle of propaganda set within its institutional political and cultural contexts revealing the complex relationships between the Ministry of Information and the different sectors of the film industry The author identifies the themes and ideologies presented to audiences through analysis of key wartime films including *Forty Ninth Parallel* In Which We Serve and *The Life and Death of Colonel Blimp* He also corrects a previous misunderstanding of the role in official propaganda of short films and documentaries demonstrating how these films were as successful as commercial feature films at carrying propaganda to the nation s cinema goers **Journal of the History of Sexuality**,2002 **Reframing British Cinema, 1918-1928** Christine Gledhill,2003 No Marketing Blurbs **Literature and Culture in Modern Britain** Clive Bloom,Gary Day,1997 Gary Day examines the role of culture in key developments in British society during the period 1930 to 1955 and presents a valuable historical perspective on current debates about the nature and role of culture in society **Men at Work** Linsey Robb,2015-09-01 Men at Work explores the cultural portrayal of four essential wartime occupations agriculture industry firefighting and the mercantile marine In analysing a broad spectrum of wartime media most notably film radio and visual culture it establishes a clear hierarchy of masculine roles in British culture during the Second World War **Guide to British Cinema** Geoff Mayer,2003-06-30 Gives the reader and researcher a full sense of the depth and variety of British cinema from 1929 through the present day with entries on all major British actors and directors as well as significant and successful films and genres **The Encyclopedia of British Film** Anthony Slide,2003 A comprehensive history of the British film industry from its inception to the present day with minute listings of the producers directors actors and studios behind a century of British cinema Published in association with the British Film Institute and illustrated with black and white photos of film stars and filmmakers from the 1920s to the present day **A Forgotten Army** Mari A. Williams,2002 World War II brought about a remarkable expansion in female work opportunities in South Wales Women suddenly found themselves performing unfamiliar work in unfamiliar surroundings and earning relatively handsome wages Yet despite the dramatic changes such work caused surprisingly little is known about the experiences of women employed in the munitions factories of South Wales A Forgotten Army aims to recover their lost voices and to highlight the vital role played by Welsh munitionettes in World War II **The Encyclopedia of British Film** Brian McFarlane,2005 Fully updated edition of a comprehensive history of the British film industry from its inception to the present day with minute listings of the producers directors actors and studios behind a century or so of great British cinema An invaluable addition to the reference shelf of anyone with an interest in British cinema Brian McFarlane is professor of film history at Monash University in Australia *Quarterly of Film, Radio and Television* ,1997 *The Oxford Companion to Black British History* David Dabydeen,John Gilmore,Cecily Jones,2010-04-22 The first ever reference work to explore the full history of black people in Britain this Companion is an essential resource for anyone who wants to

understand this long and fascinating history from classical times to the present day It brings together a unique collection of articles more than 400 entries written by more than 100 specialists that provide an overview of the black presence in Britain and the rich and diverse contribution made to British society The A Z guide includes entries for landmark figures key events concepts such as Emancipation and Reparations and historical accounts Subject areas include medicine military history art music sports and education The Companion includes a detailed timeline that charts key dates for people and events from the 2nd century AD to the present The guide will be of tremendous interest to those interested in virtually any subject relating to the Black British community or anyone interested in finding out about the history of expatriated Africans outside the Americas

**Myth, Memory and the Middlebrow** Ina Habermann, 2010-05-19 Globalization devolution and the challenges of a postcolonial and multicultural society have fuelled the debate about national identity in Britain in recent years Notions of individual and collective identity have revolved around a number of stereotypes of Britishness or Englishness which appear ever more incongruous This study suggests that these debates still draw on discourses of Englishness which were shaped in the interwar period and amplified in Second World War propaganda From the 1920s to the 1940s Englishness as a form of collective and cultural identity can be described as a symbolic form comprising specific notions of the people and their relationship to the country most powerfully visualized in landscapes embodying a mythical present

*The British Musical Film* John Mundy, 2007-07-15 The British Musical Film is the first book to examine this neglected area of British cinema as it developed from the early so called silent period to the present Offering a comprehensive survey of musical films across the decades it also includes detailed critical analysis of individual films The Red Shoes and Oliver among them and the creative personnel who worked on them

**A Social History of the Cinema in Wales, 1918-1951** Peter Miskell, 2006 A social and cultural study of the importance of the cinema in Welsh popular culture between 1918 1951 and the kinds of films shown locally 20 black and white illustrations
