Randy Clark, 2013-01-15 Bestselling Author Shows How to Access the Power of the Holy Spirit The majority of Christians understand grace as not getting the judgment they deserve and receiving the eternal life they don't deserve But the greatness of God's grace and his salvation are far more than what most of us have come to expect Here Randy Clark shares what that more is more love for God and others more power more joy more faith more results in prayer and how believers can experience God's empowering presence in their lives to do more than they ever imagined More is not only biblical explains Clark but essential for greater fruitfulness in ministry and for serving in the kingdom of God with joy and effectiveness

How Does God Act in the World? David Wilkinson, 2025-05-29 Does God act in the world and if God does then how These questions are central questions for Christian theology and Christian mission and ministry Is God simply a creator who then goes on holiday and leaves the universe to develop or is God the one who is embodied in Jesus the God of signs and wonders death and resurrection And what does this mean for signs and wonders today in the life of individuals and local churches From The Simpsons to a wedding in Cana from grace to quantum theory and from the problem of evil to eschatology David Wilkinson argues that the biblical picture of a God who acts in the world makes sense in the light of modern science but how God acts cannot be reduced to simple models
