But now she's up against the Illuminati a shadowy occult organization that has abducted her sister and plans to launch a nuclear terrorist attack. **Dialysis: a Memoir** Lisa Frieden, 2020-05-30 A compelling story about coping with a serious illness offering lessons in the value of slowing down and appreciating life in the moment. Kirkus Reviews Dialysis a Memoir portrays how a young woman's life is changed forever when her kidneys fail. From hospitalization through hemodialysis and peritoneal dialysis and finally to transplant the memoir explores how her experience of illness is at odds with the world around her the buoyant and youthful atmosphere of the San Francisco Bay Area during the dotcom bubble of the 1990's. The memoir describes how she learns to make sense of what happened and how she ultimately overcomes the physical and emotional challenges of kidney failure to thrive in her new life. Dialysis Second Edition includes a new Introduction and an updated Afterword twenty years later

**The Wholehearted Wife** Erin Smalley, Greg Smalley, Gary Smalley, 2014-06-20 Although it takes two to have a great marriage an important truth for any marriage partner to realize is that he or she can really change no one other than him or herself. Nevertheless changes in just one person can have an amazing impact on a marriage relationship. Instead of focusing on How do I have a better marriage this book embraces that truth and helps women ponder the question How can I be the best wife I can be. It provides every woman with skills information and encouragement to make a positive difference to this and future generations by wholeheartedly investing in her marriage and her relationship with her husband today. The Wholehearted Wife is written by Erin and Greg Smalley along with Gary Smalley the creator and presenter of Keys to a Loving Relationship one of the best selling video series of all time. Recognizing that most if not all married women have either experienced a time when her marriage felt lifeless or sat with another female friend or family member who was experiencing that situation this book is also a wonderful resource for those times

Dialysis a Memoir describes the year she spent on dialysis from her initial hospitalization with kidney failure through the months on hemodialysis and peritoneal dialysis to her successful transplant operation. Her experience of illness was at odds with the wildly buoyant atmosphere of the San Francisco Bay Area where she lived and worked during the dotcom bubble of the late 1990's. The memoir explores how she learned to make sense of what happened and how she ultimately overcame the physical and emotional challenges of kidney failure to thrive in her new life
