Old English Grammar And Reader:

Bright's Old English Grammar & Reader James Wilson Bright, 1971 *Old English Grammar & Reader* Robert E. Diamond, 1970 The poetry includes Caedmon's Hymn from Bede's Ecclesiastical History of the English People The Battle of Brunanburg The Battle of Maldon The Dream of Rood from the Vercelli Book The Wanderer The Seafarer The Wife's Lament The Storm Riddles The Panther and The Whale from The Exeter Book *Introductory Old English Grammar and Reader* George Tobias Flom, 1930 **A First Book in Old English** Albert Stanburrough Cook, 1894 **A First Book in Old English** Albert S. Cook, 1900 **A First Book in Old English** Albert S. Cook, 2016-06-27 Excerpt from A First Book in Old English Grammar Reader Notes and Vocabulary The selections have been made with reference to giving a fairly just though necessarily incomplete view of the surroundings occupations problems ideals and sentiments of our English ancestors The earlier pieces of both prose and poetry are short the longer ones that follow either have more sustained interest or are supported by their reference to preceding ones but they too fall into natural subdivisions partially indicated in the printing so that they may be read as successions of short extracts It may be objected that Latin and Greek have been too freely used for illustration The reply to such an objection is twofold that the book is likely to fall into the hands of some who possess at least an elementary acquaintance with one or both of these languages and that to these the disclosure of the relations involved in a comparison with the ancient tongues will materially increase their pleasure and their gain and secondly that the book may be intelligently read from cover to cover without the slightest knowledge of either Greek or Latin About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
