**Waiting for My Happily Ever After** Andrew G. Schneider, 2015-11-12 Fairytale stories are real and they walk among us I should know I'm one of them. Beauty mistress of the hundred year nap the 50 foot ponytail and the glass slipper two step at your service. Chances are you've seen me slinging lattes at the Tale's End Caf a favorite safe house for us fairy folk since the invention of the camera since we became inspiration in a can to be bartered and traded by authors on the black market. There should be more to it than that but it turns out my ever after is only happy enough. I don't get out much my job's only perk is all the free coffee in the world and the charm has rubbed off my handsome and dashing prince. But I have a plan to turn things around. Tonight is our anniversary me and the prince. Tonight we have a date that's gonna rekindle the old flame. Tonight is going to be page 1 of our new life. 200 years ago the invention of the camera allowed fairy folk to be trapped packaged and sold as bottled creativity. Folk quickly abandoned their magic castles and secret lairs for cities hoping to blend into the mass of humanity without losing who they are what makes them special. Today relations between mortals and Folk have settled into a delicate détente of hide and seek catch as catch can. Authors grow fat from Folk labor and refuge becomes harder to find as technology nibbles at the edges of the world's mystery. It is a status quo that will end with the disappearance of dreams when the last Folk vanishes in a flash. That is until an accident between Beauty and an empty camera and a too pink hubcap margarita changes everything.

As the Spring Festival kicks off at Oakleaf Manor Connor Wright is putting everything on the line to invest in his new business as a glassblower. He hopes the spring festival will be just what he needs to unveil his artwork to the world but when he runs into his former best friend and her fianc at the festival Connor can't help but wonder if the greatest risk he's taking is falling in love with her once more. To make matters worse her fianc Todd has always been jealous of their friendship and he's determined it won't be reignited by their close proximity. But when Violet comes up with an inspired project to help establish Connor's business she's faced with either risking her relationship with Todd or watching all Connor's dreams shatter. As Connor and Violet reignite their old friendship they begin to wonder why it ever came to an end. Violet is sure between Connor's talent with glasswork and her flair for floral arrangements they can salvage the remnants of his fledgling enterprise along with the friendship they once had. But as Connor struggles to save his new venture and Violet faces an ultimatum from Todd can the two of them find a way to reconcile their history together or better yet to learn from it and let their love for each other bloom.
