**Data-Centric Business and Applications** Peter Štarchoň, Solomiia Fedushko, Katarína Gubíniová, 2024-06-24 This book stands out by exploring the significance of data in various aspects of business including operations decision making and application development in a comprehensive and accessible manner It delves into advanced topics such as data management analytics knowledge discovery artificial intelligence data centric business models emerging technologies and ethical implications providing a unique perspective The book is appropriate for academics professionals and researchers with intermediate to advanced data management skills Data plays a crucial role in today s rapidly evolving digital environment serving as the foundation for businesses and the key element in driving innovation across diverse industries This book delves into the latest advancements in data management their impact on modern corporate settings and advanced information and knowledge management concepts The chapters in this book discuss various topics including incorporating data driven methods into business models the difficulties and advantages of emerging technology and the ethical aspects of making decisions based on data *HBR Insights Future of Business Boxed Set (8 Books)* Harvard Business Review, 2021-01-12 Business is changing Will you adapt or be left behind Get up to speed and deepen your understanding of the topics that are shaping your company s future with the Insights You Need from Harvard Business Review series Featuring HBR s smartest thinking on fast moving issues each book provides the foundational introduction and practical case studies your organization needs to compete today and collects the best research interviews and analysis to get it ready for tomorrow You can t afford to ignore how these issues will transform the landscape of business and society The Insights You Need series will help you grasp these critical ideas and prepare you and your company for the future This specially priced 8 volume set includes Agile Artificial Intelligence Blockchain Climate Change Customer Data Privacy Cybersecurity Monopolies Tech Giants Strategic Analytics **There Is No Place for Us** Brian Goldstone, 2025-03-25 ONE OF THE NEW YORK TIMES AND THE ATLANTIC S TEN BEST BOOKS OF THE YEAR ONE OF BARACK OBAMA S FAVORITE BOOKS OF THE YEAR Through the revelatory and gut wrenching Associated Press stories of five Atlanta families this landmark work of journalism exposes a new and troubling trend the dramatic rise of the working homeless in cities across America An exceptional feat of reporting full of an immediacy that calls to mind Adrian Nicole LeBlanc s Random Family and Matthew Desmond s Evicted The New York Times Book Review Editors Choice FINALIST FOR THE ANDREW CARNEGIE MEDAL A BEST BOOK OF THE YEAR NPR The Washington Post Atlanta Journal Constitution Elle New America BookPage Shelf Awareness The working homeless In a country where hard work and determination are supposed to lead to success there is something scandalous about this phrase But skyrocketing rents low wages and a lack of tenant rights have produced a startling phenomenon People with full time jobs cannot keep a roof over their head especially in America s booming cities where rapid growth is leading to catastrophic displacement These families are being forced into homelessness not by a failing economy but a thriving one In this gripping

and deeply reported book Brian Goldstone plunges readers into the lives of five Atlanta families struggling to remain housed in a gentrifying increasingly unequal city Maurice and Natalia make a fresh start in the country's Black Mecca after being priced out of DC Kara dreams of starting her own cleaning business while mopping floors at a public hospital Britt scores a coveted housing voucher Michelle is in school to become a social worker Celeste toils at her warehouse job while undergoing treatment for ovarian cancer Each of them aspires to provide a decent life for their children and each of them one by one joins the ranks of the nation's working homeless Through intimate novelistic portraits Goldstone reveals the human cost of this crisis following parents and their kids as they go to sleep in cars or in squalid extended stay hotel rooms and head out to their jobs and schools the next morning These are the nation's hidden homeless omitted from official statistics and proof that overflowing shelters and street encampments are only the most visible manifestation of a far more pervasive problem By turns heartbreaking and urgent *There Is No Place for Us* illuminates the true magnitude causes and consequences of the new American homelessness and shows that it won't be solved until housing is treated as a fundamental human right

**Business, Society and Government Essentials** Robert N. Lussier, Herbert Sherman, 2022-05-18 Understanding the interrelationship of business society and government is vital to working at any level in an organization of any size This text develops strategic management skills using an applied ethics approach primarily through a case study analysis pedagogy to develop and implement ethical strategies in today's high tech global community The authors crystallize the complex array of issues that business leaders managers and employees face in market and nonmarket environments from balancing stakeholder interests and dealing with government regulations to managing crises and making socially responsible and ethical decisions Technical concepts come to life through a variety of cases and case questions thought provoking personal and professional applications ethical dilemmas and practical exercises Furthermore an appendix offers approaches to case analysis and includes a case analysis table that serves as a model for students and professors Thoroughly revised and updated the third edition includes discussions on the influence of globalization and technology the impact of COVID 19 and greater focus on developing ethical strategies With its thorough coverage of relevant issues and skill building elements to stimulate critical thinking this text will engage and prepare students to understand and confront real world business issues by developing and implementing ethical strategies through case analysis of companies and analysis of organizational ethical dilemmas

Starting Amazon Delivery Business May Smith, 2020-06-04 The demand for local fast courier and delivery services is booming Independent local couriers can provide the services that are in demand like same day deliveries that are just not available from UPS or Fedex What does a courier do They pick up and deliver packages documents even pets for businesses and individuals This service is always in demand even in smaller towns as there is always someone who needs a package or document delivered today A courier service is the perfect shoestring startup as it requires very little money to start All you need is a reliable vehicle and a smartphone No formal training is required just the ability to communicate clearly

with customers Your new courier business can be home based This reduces overhead costs and your only commute is to your next customer

*15 Smiles an Hour* Ian Barnett, 2017-12-12 Since retiring from a Senior Management role I've had the opportunity to enjoy a variety of part time work to keep me out of mischief The Amazon Flex program has grabbed me for reasons which will become obvious in this book I pick my own hours I work when I want to which to be honest is nearly every day and I can choose how long I work for This is the whole concept with Amazon Flex You can pick time slots that allow you to work yet still balance other life commitments Family study leisure writing All the Flex Partners I meet at the collection depot have different reasons for wanting to earn The Amazon Prime strap line is Delivering Smiles That's one of the reasons I've stuck with the Program made it work for me and want to help make it work for you In a world where we all want everything now Amazon have led the way Next day delivery of such a diverse range of items has created a whole industry involving hubs satellite depots and distribution lines No matter how mundane the job of delivering parcels might seem to some there is something hugely satisfying about placing a package or two into a customer's hands often a day before they were expecting it and seeing the Smile Smiles mean money for Amazon and for the Flex Partner Success with Amazon Flex to me means achieving 15 Smiles An Hour or more You can achieve this too if you follow the advice in this book
