**"The Supreme Harmony of All"** Amy Plantinga Pauw, 2002 Jonathan Edwards lived in an age in which the doctrine of the Trinity was sometimes openly repudiated and more often quietly ignored But as this important book shows Edwards in fact took care to creatively fashion the Trinity into the centerpiece of his Christian life and work Through her pursuit of Edwards s writings especially his lifelong intellectual diary Amy Plantinga Pauw traces the way Edwards established the basic outlines of his trinitarian thought when he was only twenty years old and how the doctrine continued to run like a subterranean river throughout his famed career as a pastor and teacher Recognizing the centrality of the Trinity in Edwards s thought both nuances our understanding of his Puritan inheritance and challenges the narrowness of Edwards s enduring legacy as the preacher of Sinners in the Hands of an Angry God *Toronto Journal of Theology* ,1997 *Theology and the Public* Daniel D. Shin, 2018-11-28 Hans W Frei s groundbreaking achievement in theological hermeneutics Christology and theological method has made possible new alternatives in contemporary theology and has become a key impetus to the emergence of postliberal theology also known as the Yale School Much discussion has taken place since the publication of *The Eclipse of Biblical Narrative* in 1974 and his work continues to generate intense debate among his proponents critics and sympathetic observers One of the key questions in this conversation is whether Frei s work signals a sectarian flight from the public world at large to a private enclave in the intratextual world of biblical narrative Unfortunately his critics have misinterpreted his thought and failed to recognize that the notion of the public is a pivotal feature of his theology Therefore the aim of this book is to debunk common misunderstandings of his project by showing that Frei maintains a sustained and robust commitment to the public world This book demonstrates the public character of Frei s thought by examining the major foci of his work theological hermeneutics Christology ecclesiology and theological method It begins with an introductory chapter on postliberal theology with special attention to the criticism of sectarianism followed by a study of Frei s constructive proposals in relation to the church society and academy *Journal of Theological Interpretation* ,2007 *To Glorify God* Bryan D. Spinks, Iain Torrance, 1999 A major evaluation of the new Reformed American Presbyterian and Church of Scotland liturgies These specially commissioned studies by international experts examine the background and theology of

the two recent liturgical compilations in the English speaking Reformed tradition They explore a wide range of topics from the doctrine of God the Atonement and language to the merits of the respective marriage and funeral rites They also demonstrate the major contributions that the liturgies have made to the renewal of worship in the late twentieth century church

**Apologetic for Filioque in Medieval Theology** Dennis Ngien,2005 This study examines the defence of the filioque clause by four medieval theologians in the Catholic Church and seeks to show why it mattered so much to them The book opens with a history of the filioque to provide the essential background Ngien then carefully sets each theologian s rational defence within the broader context making this book much more than a discussion of the one contentious clause but also a general introduction to medieval conceptions of the Trinity **BOOK JACKET**

**Bulletin for Contextual Theology in Southern Africa & Africa** ,2000 **Interpreting the Bible** A. N. S. Lane,1997 **What is Theological Exegesis?** Mary Kathleen Cunningham,1995 One of the liveliest debates within contemporary Christian theology concerns how the Bible should be interpreted and what role this interpretation ought to play in the formulation of theological proposals Cunningham provides a helpful way of dealing with this situation appealing to Karl Barth s interpretation of a cluster of New Testament predestination texts that reveal his distinctive doctrinal proposals and exegetical insights

**Salvation in the World** Stephan van Erp,Christiane Alpers,Christopher Cimorelli,2017-09-07 What happens when Edward Schillebeeckx s theology crosses paths with contemporary public theology This volume examines the theological heritage that Schillebeeckx has left behind as well as it critically assesses its relevance for temporary theological scene In tracing the way s in which Schillebeeckx observed and examined his own context s increasing secularization and concomitant development toward atheism the contributors to this volume indicate the potential directions for a contemporary public theology that pursues the path which Schillebeeckx has trodden The essays in the first part of this volume indicate a different theological self critique undertaken in response to developments in the public sphere This is followed by a thorough examination of the degree to which Schillebeeckx succeeded in leading Christian theology ahead without merely accommodating the Christian tradition to current societal trends The third part of the volume discusses the issues of climate change social conceptions of progress as well as the evolutionary understandings of the origins and purpose of religions The final part examines Schillebeeckx s soteriology to contemporary discussions about wholeness

**Postliberal Theological Method** Adonis Vidu,2006 **Postliberal Theological Method** is a fresh critical analysis of one of today s most influential theological movements Drawing on recent thinking in analytic philosophy particularly Donald Davidson s work on truth and meaning Vidu raises questions about the linguistic turn in the theology of Hans Frei George Lindbeck John Milbank and others

**Life Together in the Way of Jesus Christ** Dan R. Stiver,2009 Dan Stiver has crafted an engaging one volume introduction to Christian beliefs based on his experience teaching introductory theology courses While describing how traditional theology came to be he explains for both undergraduates and graduate students how theology is already a part of their life of faith As he examines

traditional theological issues and such current topics as globalization and ecology Stiver treats theology as a living dynamic activity Employing useful case studies his groundbreaking approach helps students understand what theology is and shows them that they are participants in creating an ongoing vigorous theology that will remain at the center of their faith for the rest of their lives     **Reformed Theology** Michael Allen,2010-09-02 Introduces Reformed theology by surveying the doctrinal concerns that have shaped its historical development     **Thy Nature and Thy Name is Love** Bryan P. Stone,2001 Thy Nature Thy Name is Love brings leading scholars into dialogue over points of convergence and divergence between Wesleyan and process theologies     The Younger Evangelicals Robert E. Webber,2002-10-01 Robert E Webber has led worship workshops in every major city in the United States and Canada Through his conversations and contacts with a network of emerging church leaders he calls the younger evangelicals Webber sees how this new generation and their style of leadership is bringing change and renewal to the evangelical church These leaders who include those young in spirit as well as young in age have important insights to offer all generations faced with doing church in a rapidly changing postmodern culture The Younger Evangelicals explores the characteristics of these emerging leaders and provides an outlet for their stories Beginning with a brief overview of twentieth century evangelicalism Webber examines what is different about the twenty first century younger evangelicals way of thinking about faith and practicing church He allows them Ph D s and laypeople to speak in their own words on issues such as communication theology apologetics pastoral leadership evangelism worship and spiritual formation Thought provoking energizing and timely The Younger Evangelicals is a landmark book for pastors and church leaders culture watchers ministry students and worship leaders who want to prepare for and respond to the new evangelical awakening brought on by our changing cultural context
