Oecd Business Finance Outlook 2015:

OECD Business and Finance Outlook 2015 OECD,2015-06-24 This new Outlook on finance and investment presents unique data analysis and instruments looking at what might affect and change tomorrow's world of business finance and investment **OECD Insights Debate the Issues: Investment** OECD,2016-02-17 Why do financial markets see so little risk while companies that invest in the real economy appear to be much more prudent How will we fund future pensions when interest on the products that finance them are so low Where will the trillions of dollars needed to improve and extend

OECD Economic Surveys: Slovenia 2017 OECD,2017-09-05 The 2017 Survey makes key policy recommendations to secure fiscal sustainability through pension and health care reform In addition the Survey recommends measures to enhance economic growth by boosting investment incentives in human and physical capital **OECD business and finance**

outlook 2015 ,2015 **The Routledge International Handbook of Financialization** Philip Mader,Daniel Mertens,Natascha van der Zwan,2020-02-05 Financialization has become the go to term for scholars grappling with the growth of finance This Handbook offers the first comprehensive survey of the scholarship on financialization connecting finance with changes in politics technology culture society and the economy It takes stock of the diverse avenues of research that comprise financialization studies and the contributions they have made to understanding the changes in contemporary societies driven by the rise of finance The chapters chart the field's evolution from research describing and critiquing the manifestations of financialization towards scholarship that pinpoints the driving forces mechanisms and boundaries of financialization Written for researchers and students not only in economics but from across the social sciences and the humanities this book offers a decidedly global and pluri disciplinary view on financialization for those who are looking to understand the changing face of finance and its consequences *Yearbook on International Investment Law & Policy 2014-2015* Andrea K.

Bjorklund,2016-09-30 Several themes emerge in this 2014 2015 edition of the Yearbook The first is a notable focus on country and region specific developments Different articles focus on key developments in such countries as Australia Brazil China Ghana India Indonesia Russia and South Africa Others focus on regional innovations in particular in Latin America A second area of attention is reform and proposals for reform in investor state dispute settlement and in investment law generally The third theme is the continued concern about states regulatory autonomy and the importance of their retaining ability to protect the interests of their nationals A fourth theme concerns the continued contribution that investment arbitration makes to the development of international law and the influence that it is starting to have on other areas of law whether that is as a source of inspiration in the interpretation of other norms or as a source of potentially powerful persuasive authority given the teeth that investment law has with respect to enforcement Included are the winning memorials of the FDI Moot for both 2014 and 2015 In 2014 a team from the University of Ottawa submitted the winning claimant's memorial while students from Harvard Law School submitted the winning respondent's memorial In 2015 Harvard

repeated its stellar performance again winning best respondent s memorial The winning claimant s memorial in 2015 was submitted by students from the National and Kapodistrian University of Athens These excellent memorials reveal once again the growing interest of students in international investment law and demonstrate a striving for excellence and an enthusiasm for grappling with intellectually challenging issues

The Long Good Buy Peter C. Oppenheimer, 2020-04-09 PRAISE FOR THE LONG GOOD BUY Oppenheimer offers brilliant insights sage advice and entertaining anecdotes Anyone wishing to understand how financial markets behave and misbehave should read this book now Stephen D King economist and author of *Grave New World* The End of Globalisation the Return of History Peter has always been one of the masters of dissecting financial markets performance into an understandable narrative and in this book he pulls together much of his great thinking and style from his career and it should be useful for anyone trying to understand what drives markets especially equities Lord Jim O Neill Chair Chatham House A deeply insightful analysis of market cycles and their drivers that really does add to our practical understanding of what moves markets and long term investment returns Keith Skeoch CEO Standard Life Aberdeen This book eloquently blends the author s vast experience with behavioural finance insights to document and understand financial booms and busts The book should be basic reading for any student of finance Elias Papaioannou Professor of Economics London Business School This is an excellent book capturing the insights of a leading market practitioner within the structured analytical framework he has developed over many years It offers a lively and unique perspective on how markets work and where they are headed Huw Pill Senior Lecturer Harvard Business School The Long Good Buy is an excellent introduction to understanding the cycles trends and crises in financial markets over the past 100 years Its purpose is to help investors assess risk and the probabilities of different outcomes It is lucidly written in a simple logical way requires no mathematical expertise and draws on an amazing collection of historical data and research For me it is the best and most comprehensive introduction to the subject that exists Lord Brian Griffiths Chairman Centre for Enterprise Markets and Ethics Oxford

Stranded Assets and the Environment Ben Caldecott, 2018-05-11 Drawing on the work of leading researchers and practitioners from a range of disciplines including economic geography economics economic history finance law and public policy this edited collection provides a comprehensive assessment of stranded assets and the environment covering the fundamental issues and debates including climate change and societal responses to environmental change as well as its origins and theoretical basis The volume provides much needed clarity as the discourse on stranded assets gathers further momentum In addition to drawing on scholarly contributions there are chapters from practitioners and analysts to provide a range of critical perspectives While chapters have been written as important standalone contributions the book is intended to systematically take the reader through the key dimensions of stranded assets as a topic of research inquiry and practice The work adopts a broad based social science perspective for setting out what stranded assets are why they are relevant and how they might inform the decision making of firms investors

policymakers and regulators The topic of stranded assets is inherently multi disciplinary cross sectoral and multi jurisdictional and the volume reflects this diversity This book will be of great relevance to scholars practitioners and policymakers with an interest in include economics business and development studies climate policy and environmental studies in general **The Great Transformation** Judith Bessant,2018-04-17 While artificial intelligence AI robots bio technologies and digital media are transforming work culture and social life there is little understanding of or agreement about the scope and significance of this change This new interpretation of the great transformation uses history and evolutionary theory to highlight the momentous shift in human consciousness taking place Only by learning from recent crises and rejecting technological determinism will governments and communities redesign social arrangements that ensure we all benefit from the new and emerging technologies The book documents the transformations under way in financial markets entertainment and medicine affecting all aspects of work and social life It draws on historical sociology and co evolutionary theory arguing that the radical evolution of human consciousness and social life now under way is comparable with if not greater than the agrarian revolution 10000 BCE the explosion of science philosophy and religion in the Axial Age 600 BCE and the recent Industrial Revolution Turning to recent major socio economic crisis and asking what can be learnt from them the answer is we cannot afford this time around to repeat the failures of elites and theoretical systems such as economics to attend appropriately to radical change We need to think beyond the constraints of determinist and reductionist explanations and embrace the idea of deep freedom This book will appeal to educators social scientists policy makers business leaders and students It concludes with social design principles that can inform deliberative processes and new social arrangements that ensure everyone benefits from the affordances of the new and emerging technologies *OECD Business and Finance Outlook 2019 Strengthening Trust in Business* OECD,2019-09-09 The OECD Business and Finance Outlook is an annual publication that presents unique data and analysis on the trends both positive and negative that are shaping tomorrow s world of business finance and investment *OECD Business and Finance Outlook 2021 AI in Business and Finance* OECD,2021-09-24 The OECD Business and Finance Outlook is an annual publication that presents unique data and analysis on the trends both positive and negative that are shaping tomorrow s world of business finance and investment **The Stationery Office Agency Catalogue** Stationery Office (Great Britain),2017 **The OECD Observer** ,2008-03 **The OECD Observer** Organisation for Economic Co-operation and Development,2008 **OECD Business and Finance Outlook 2018** OECD,2018-09-03 The OECD Business and Finance Outlook is an annual publication that presents unique data and analysis on the trends both positive and negative that are shaping tomorrow s world of business finance and investment **Investment Banking Explained, Second Edition: An Insider's Guide to the Industry** Michel Fleuriot,2018-12-14 The authoritative guide to investment banking updated and revised for the new financial landscape What is investment banking How do investment bankers generate profit for their clients What is the function of each specialty How
