**Enterprise LMS with Adobe Learning Manager** Damien Bruyndonckx, Sean Mullen, 2023-06-30 Master the art of publishing compelling online content for employees, partners, and customers guided by Damien Bruyndonckx, author of bestselling *Captivate* books. Purchase of the print or Kindle book includes a free PDF eBook. Key Features: Publish e-learning content such as videos, SCORM packages, and PPTs online in Learning Manager; Discover best practices for creating, managing, and administering an online learning platform; Implement gamification, social learning, and AI-enabled recommendations for an immersive learning experience. Book Description: Looking to deliver scalable online learning solutions? Adobe's latest enterprise Learning Manager is a powerful learning management system (LMS) that enables organizations to deliver, manage, and track immersive learning experiences. This book unlocks the full potential of Learning Manager, guiding you to become an adept administrator, author, or teacher experimenting with Learning Manager from different perspectives. You'll gain an in-depth understanding of the features and their impact on your business. From platform setup to course administration, you'll be able to create blended learning experiences, deploy your content to different devices, and explore Learning Manager's features for monitoring your students' progress on a daily basis. Finally, you'll discover techniques for organizing and maintaining your course catalog while elevating the learner experience. By the end of the book, you'll be able to implement your organization's training strategy, deliver engaging learning experiences, and generate meaningful reports to monitor their effectiveness. What you will learn: Configure and customize Learning Manager to align with your business training requirements; Seamlessly integrate Learning Manager into your existing IT infrastructure; Manage different types of users such as employees, partners, and customers on your training platform; Publish and organize your learning content to create immersive courses, learning programs, and industry-recognized certifications; Track your students' progress and manage daily course instances with ease; Organize your learning catalogs to meet the most stringent security protocols and instructional demands. Who this book is for: Designed for learning and development professionals, HR managers, corporate instructors, LMS admins, and team leaders, this book offers guidance on setting up and managing training and development programs for employees, partners, and customers using Adobe Captivate Prime LMS. This book is a rebranded version of the author's *Adobe Captivate Prime* book and assumes working knowledge of operating systems and the standard tools commonly used by L&D professionals. A foundational understanding of online learning platforms will be beneficial. *Official Adobe Photoshop 5.0 Studio Techniques* Ben Willmore, 1999 Written by an experienced instructor who

teaches Photoshop seminars at events and corporations nationwide this is the definitive Adobe Photoshop tutorial available It teaches in a clear well organized style that intuitively guides the user through techniques rather than touring the application itself
