Advertising Strategy Tom Altstiel,Jean Grow,2006 Advertising Strategy provides students with the experience of an actively teaching professor at one of the top advertising programs in the country and a working creative director agency principle Altstiel and Grow get right to the point by stressing key principles illustrating them and then providing practical information students and working professionals can use Unlike many books that focus on only work created for large consumer accounts by mega agencies this text also covers business to business in house and small agency work Key Features Up to date examples over half were produced in the last two years Writing for the Internet Interactive Marketing the most comprehensive and up to date general copywriting text that covers the Internet Diversity discussion a whole chapter is devoted to these issues plus examples and case histories related to issues of diversity are woven throughout the text War Stories the authors tracked down some of the hottest professionals in the business and their anecdotes bring real world experience into each chapter They are part case history part lessons to be learned and sometimes very funny Words of Wisdom timely quotes from some of the most influential people in our business past and present These quotes bring key points to life in every chapter Who's Who short biographies of people mentioned in the book Located at the end of each chapter these blurbs sometimes include very personal information provided directly by these people

How to Predict the

Unpredictable William Poundstone,2014-09-04 We are hard wired to believe that the world is more predictable than it is We chase winning streaks that are often just illusions and we are all too predictable exactly when we try hardest not to be In the 1970s Daniel Kahneman and Amos Tversky coined the phrase representativeness to describe the psychology of this behaviour Since then representativeness has been used by auditors to catch people fiddling their tax returns and by hedge fund managers to reap billions from the emotions of small investors Now Poundstone for the first time makes these techniques fun easy and profitable for everyone in the everyday situations that matter You'll learn how to tackle multiple choice tests what internet passwords to avoid how to up your odds of winning the office Premier League sweepstakes and the best ways to invest your money

Marketing Roger A. Kerin,Steven W. Hartley,William Rudelius,2007 MARKETING THE CORE 2e by Kerin Berkowitz Hartley and Rudelius continues the tradition of cutting edge content and student friendliness set by Marketing 8e but in a shorter more accessible package The Core distills Marketing's 22 chapters down to 18 leaving instructors just the content they need to cover the essentials of marketing in a single semester Instructors using The Core also benefit from a full sized supplements package that surpasses anything offered by the competition while students will appreciate the easy to read paperback format that's equally kind to both the eyes and the pocketbook The Core is more than just a baby Kerin it combines great writing currency and supplements into the ideal package for budget conscious students and time conscious professors

Perry, Amy Phillips, 2002 The *I Series Applications* textbooks strongly emphasize that students learn and master applications skills by being actively engaged by doing. These texts have been written with clear, error-free and unambiguous steps to accomplish tasks that lead to a finished document, worksheet or database table. The authors made the decision that teaching how to accomplish some task is not enough for complete understanding and mastery. Prior to introducing steps, the authors discuss why the steps students are about to experience are important and what role the steps play in the overall plan for creating a document, workbook or database. *Broadcasting & Cable*, 2007
