Best Practices in Literacy Instruction Lesley Mandel Morrow, Ernest Morrell, Heather Kenyon Casey, 2023-05-30 This authoritative text and PreK-12 teacher resource is now in a substantially revised seventh edition with 80% new material foregrounding advances in inclusive equitable instruction. Teachers are guided through every major component of reading as well as assessment, motivation, teaching bilingual learners, strengthening connections with families and communities, and more. The book presents principles and strategies for teaching literature and nonfiction texts, organizing and differentiating instruction supporting struggling readers and promoting digital literacy. Pedagogical features include chapter opening bulleted previews of key points, reviews of the research evidence, recommendations for best practices in action with examples from exemplary classrooms, and end-of-chapter engagement activities. New to This Edition: Chapter on culturally responsive teaching, plus more attention to social justice and equity throughout. Chapter on supporting students in the invisible middle. Important new focus on social and emotional learning (SEL). All chapters thoroughly revised or rewritten to reflect current research theory and instructional practices.

Children With School Problems: A Physician's Manual

The Canadian Paediatric Society, Debra Andrews, William J. Mahoney, 2012-10-09. The physician's guide to diagnosing and treating learning disabilities in children. 1 in 10 Canadians have a learning disability and doctors must be able to identify, diagnose, treat, and manage children who are struggling in school. The first book specifically tailored for the needs of physicians working with kids with learning disabilities. *Children With School Problems: A Physician's Manual* covers such important areas as child development, diagnosing learning disabilities, including data gathering, screening, and assessment, and physical examinations, management, medication, behavioral management, and educational interventions and prevention, including literacy promotion. Written by trusted experts from the Canadian Paediatric Society. *Children With School Problems* is filled with practical tools and resources that physicians, including paediatricians, family physicians, and paediatric learners, can use to diagnose and treat children with learning disabilities. The only book on learning disabilities in children specifically designed for physicians. Written by trusted experts from the Canadian Paediatric Society. Covers important issues including literacy promotion, screening for disabilities, medication options, and much more. Gives physicians the tools they need to help children with learning disabilities. Physicians want to know more about learning disabilities and parents want their paediatricians and family physicians to provide more help when their kids struggle in school. *Children with School Problems* provides that information, making it an invaluable resource for any doctor working with kids.
