Über Compare Returns

Friedrich Köhler

Uber Compare Returns:

Return of the Gods Owen Ware, 2025 Why is mythology of vital importance for the romantics What role does mythology play in their philosophical and literary work And what common sources of influence inspired these writers across Britain and Germany at the turn of the nineteenth century In this wide ranging study Owen Ware argues that the romantics turn to mythology for its potential to transform how we see ourselves others and the world Engaging with authors such as Schiller Blake Schlegel Coleridge Novalis and Shelley Ware shows why they believe that neither perception nor reason alone can sustain a vision of the unity of all things A new mode of cognition is necessary they claim one that revives the poetic origin of mythology and reveals our own mythmaking powers The first study devoted to the rise of mythology in the British and German traditions Ware's book investigates the romantics practices of reinterpreting old myths and inventing new ones Their shared aim is nothing less than to elevate the human imagination to higher stages of self development in which philosophy and poetry as well as intellect and imagination form an integrated whole Far from calling us to return to the past the romantics work on mythology points us to a future where we can live in harmony with the personal social and natural worlds we inhabit Combining intellectual history with philosophical analysis and literary criticism *Return of the Gods* offers a bold reflection on why mythology mattered for the romantics and why it still matters today

DAC7 Rules for Digital Platforms: Comparing EU Member States' Implementation Juan Manuel Vázquez, Felix Desmyttere, 2025-11-07 DAC7 Rules for Digital Platforms Comparing EU Member States Implementation Edited by Juan Manuel Vázquez interpretative and practical guidelines on DAC7 issued by competent Member State authorities are not always aligned the definitions of some elements of DAC7 rules e.g. penalties and enforcement remain a competence of Member States and therefore vary significantly across jurisdictions and DAC7 rules interact with existing similar legislation and reporting requirements in Member States domestic tax regimes adding additional layers of complexity These issues are covered in depth by experts who contribute national reports from 19 EU Member States combining legal analysis with practical implementation insights Two introductory chapters provide an overview of DAC7 rules at the EU level and offer a comparative analysis of key differences and similarities in implementation across EU Member States Visual tools simplify the complex application of DAC7 definitions in practice and facilitate cross jurisdictional comparison of the Directive's implementation This book is the result of a conference organized by the Amsterdam Centre for Tax Law ACTL of the University of Amsterdam UvA in November 2023 under the umbrella of the research project Designing the Tax System for a Cashless Platform based and Technology driven Society CPT project The book will be of significant value to a wide range of stakeholders impacted by DAC7 In particular it will assist businesses operating digital platform including non EU based in assessing DAC7 related risks and compliance obligations across the European Union legislators and tax authorities of EU Member States in identifying areas that require further harmonization or clarification tax lawyers and professionals in managing legal challenges related

to DAC7 businesses and individuals selling via digital platforms who may be affected by DAC7 reporting requirements and academics and researchers interested in tax transparency frameworks and the interaction between tax law EU law and platform regulation

Return on Investment in Corporate Responsibility Cesar Saenz, 2018-04-23 In today's climate companies must be economically successful and at the same time take social responsibility Author Cesar Sandro Saenz Acosta introduces a new SROIM Social Return on Investment Management model to design and measure the social value created by companies
