Re: LWS - Customer Service Associate - Sales Floor

Reference # ST-19-2741-8740

Experienced in all aspects of construction, the position for sales associate in the mill work area sparked my interest. When reviewing the position requirements and your organization's website, I was excited to find that my educational qualifications and personal strengths align with your needs and mission.

I bring a comprehensive set of skills that I believe will be valuable to Lowes. Owning my own renovation business, I honed my abilities in working with clients to meet their needs, providing a firm foundation to support customers with their desired project outcome. My customer service, people-centric nature, and compassion have afforded me excellent communication skills.

I am excited to contribute my talents and proficiency in home renovations toward your team efforts. As an engaging communicator with a proven track record my focus on building strong professional relationships has been a beneficial asset throughout my career.

Please review my enclosed resume for a more in-depth illustration of my work history and education. I would appreciate the opportunity to interview at your earliest convenience. I'm eager to discuss how my personality and background fit the sales associate role.

Thank you for your time and consideration of my candidacy.

Sincerely,

Brandon Boise
