## **Patton's Third Army At War:**

**Patton's Third Army at War** George Forty, 2015-04-19 The story of Gen George S Patton's magnificent Third Army as it advanced across Nazi occupied Europe and into Hitler's redoubt. Includes photos. As America's own answer to the Blitzkrieg, Third Army's actions from the Normandy coast across France and Germany to Austria gave a new dimension to the term fluid warfare. They only needed one general order to seek out the enemy trap and destroy them. This they did relentlessly, overcoming every obstacle thrown in their way. Third Army's story is one of teamwork of armor, infantry and aircraft working together with a perfection that amazed even the Germans who'd always considered themselves the masters of the mobile offensive. Though Third Army is often remembered for its tank spearheads like the 4th Armored Division, these pages also give credit to the brave infantry divisions which butted their heads against fortresses such as Metz with ultimate success. It is also the story of a triumph of administration as thousands of trucks carried forward the vital supplies to keep the army on the move and fighting. When a German counteroffensive nearly burst through the US lines in the Ardennes, it was Patton's Third Army that turned on its heel and immediately drove in the Bulge, ending Hitler's last great hope for success in the west. Afterward nothing could stop it as it crossed the Rhine and overran the Reich. Much of Third Army's greatness, driving force and will to win, was owed to one man: Gen George Smith Patton Jr. and a significant part of this book is devoted to him alone. In these pages a renowned military historian gives a vivid impression in words and pictures of what it was like to live and fight with Patton's men. Full of eyewitness accounts, photographs and maps, it relates the full story of how America's most dynamic fighting formation led the Allied effort against the Nazis' seemingly invincible European empire.

Eugene G. Schulz, 2012-10-11 Eugene G. Schulz was born on a farm in Clintonville, Wisconsin, in 1923. He graduated from high school in May 1941 and worked on his father's farm and at a truck manufacturing plant until he was drafted into the army in January 1943. Schulz received his basic training at Camp Young, California, at the Desert Training Center, and later at Camp Campbell, Kentucky. He was assigned to the IV Armored Corps, later named the XX Corps, where he was a typist in the G 3 Section. His duties included the typing of battle orders developed by Colonel W. B. Griffith, the G 3 of XX Corps Headquarters. The XX Corps sailed to England in February 1944 on the Queen Mary with 16,000 soldiers on board, completing the voyage in five days. After final training in England, the XX Corps landed on Utah Beach in Normandy on D+46. His unit was attached to General Patton's Third Army and spearheaded the drive across France through Germany and into Austria, where they met the Russian Army on V-E Day. Schulz was awarded the Bronze Star medal when the war ended. He served in the Army of Occupation in Germany, then returned to the States and was discharged on December 1, 1945. He enrolled at the University of Wisconsin-Madison, taking advantage of the GI Bill of Rights and earning Bachelor's and Master's degrees in Business Administration. Schulz met his wife, Eleanore, at the University and they were married in 1949. Schulz
