English Language Arts the Kindergarten Way Molly Cochell, Laura Fullmer, 2017-05-02 Kindergarten teachers know that a child's first taste of school should be engaging, active, social, and fun. Yet teachers are presented with a challenge: How do they nurture the holistic, exploratory nature of early childhood while teaching with the intentionality and rigor required to meet learning goals? Let this resource pave the way. *English Language Arts the Kindergarten Way* contains methods for teaching foundational reading skills, building vocabulary, inspiring and developing writing, and helping children respond to literature and informational text while inherently fulfilling the needs of the whole child. An entire year of activities is included. And all activities are classroom tested and naturally infuse visual art, music, drama, poetry, movement, and puppetry so that kindergartners meet learning goals their way. *Education amendments of 1977* United States. Subcommittee on Education, Arts, and Humanities, 1978. *Reading for Today*, 5 Jim Beers, 1987. *Reading for Information in Elementary School* Nancy Frey, Douglas Fisher, 2007. *Reading for Information in Elementary School* Content Literacy Strategies to Build Comprehension was written to give K-5 teachers the tools they need to lay an educational groundwork that promotes students' success with informational text from the early grades. Packed with research-based, classroom-proven strategies, the book follows a before-during-and-after reading format that models the most effective approach to reading for information, focusing on the processes required to develop content literacy. You'll meet the teachers sit in on their lessons, witness their students' responses, and come away from this book with a model for teaching your students to read successfully for information and a handbook of proven strategies to implement. Features Examples of instructional strategies. This book follows six elementary teachers, grades K-5, as they utilize strategies with informational texts. These examples are detailed and include student and teacher dialogue to provide readers with the sense they are watching the lesson unfold. Each focus instructional strategy is research-based. The instructional strategies outlined in this book have a research base and have been implemented in schools across the country. Margin notes provide readers with additional information and resources. Readers are referred to other sources of information at common places that they may have questions. A clear process for organizing instruction is provided. The strategies and texts presented in the book follow the before-during-after instructional organization used by teachers to foster reading comprehension. Book covers of informational texts. Each chapter features the covers and bibliographical information of some of the best informational texts available today. *Teacher as Researcher: Action Research by Elementary Teachers* Jay Feng, 2012-12-21.
