PC World, 2009 Facebook Steven Levy, 2020-02-25 A penetrating account of the momentous consequences of a reckless young company with the power to change the world. Brad Stone, author of *The Everything Store* and *The Upstarts*. How much power and influence does Facebook have over our lives? How has it changed how we interact with one another? And what is next for the company and us? As the biggest social media network in the world, there's no denying the power and omnipresence of Facebook in our daily life. And in light of recent controversies surrounding election influencing, fake news, accounts, the handling of its users' personal data, and growing discontent with the actions of its founder and CEO, never has the company been more central to the national conversation. In this fascinating narrative crammed with insider interviews never before reported, reveals and exclusive details about the company's culture and leadership, award-winning tech reporter Steven Levy tells the story of how Facebook has changed our world and asks what the consequences will be for us all.

iOS eCommerce App Development with Parse Liangjun Jiang, 2015-11-11 iOS eCommerce App Development with Parse uses a real-world app example to teach you how to build a complete eCommerce iPhone app powered by Parse, the most popular and powerful Platform as a Service (PaaS) provider.
