Men Forced Into Diapers Stories:

Shelagh: Mind Mistress - putting people back into diapers (Rubber Pants Version) Terry Masters, 2024-11-04 Mikey was an experienced hypnotist and figured he knew enough to be resistant to any other hypnotist's tricks and powers. That was when he saw a show by Shelagh, a woman whose stage shows had people from the audience reverting to babies wearing and wetting diapers and performing any action she wanted. So he challenged her to a competition of her powers versus his. The problem was that he was secretly an adult baby and that could be a risk given that Shelagh liked hypnotizing her candidates into diapers. This erotic hypnosis saga delves into the world of hypnosis, female domination, and of course the amazing world of adult babies and the power of diapers and more.

A Woman's Guide To... (Diaper Version) Gwendoline Summers, Forrest Grant, Florence Grant, Maggie Joyce, 2022-04-06 Gwendoline Summers has a special style of writing to women about some of the unique options available to them. She knows what it is like to baby her husband. Her first book is a guide to other women seeking to take their partner in hand and make them the baby they both need him to be. This is not an enforced babying guide but rather one to help women who already KNOW that their partners need the security of diapers, a pacifier, and a babyish lifestyle to achieve that goal. The second book covers the subject in a more extensive way about making your partner into a Sissy Baby, a baby girl. And the third book brings up an interesting question: is potty training a thing of the past, and is it time to reject it both for your partner and yourself? This book is not just for women with AB partners but for ALL women, whether their partners are AB or not. She takes it step by step on how to slowly get your partner into diapers and other baby items. If your partner is AB, then you are already partway there; but if they are non-AB, this book is still for you. It is a guidebook along a journey of letting our men express the infancy inside that is so often just beneath the surface.

Dax, The M.A.N.E. Man (Rubber Pants Version) Terry Masters, 2024-11-07 An AB Discovery After Dark Book. In a future world, females are the dominant gender and control almost everything. But one group, M A N E, strives to take back control and return society to a normal male-dominated society. Read on as Dax tries to overcome the leader of the female army and finds himself in a bit of a pickle. And in diapers.

Lone Heroes and the Myth of the American West in Comic Books, 1945-1962 David Huxley, 2018-06-29 This book examines the role of comics in the perpetuation of the myth of the American West. In particular, it looks at the ways in which lone central characters and their acts of violence are posited as heroic. In doing so, the book raises questions both about the role of women in a supposedly male space and in addition to the portrayal of Native Americans within the context of this violence. Various adaptations of historical figures such as Buffalo Bill and Billy the Kid, as well as film and television stars such as The Lone Ranger and Dale Evans, are examined in detail. Although concentrating on American comics, examples both from Britain and France are also analyzed.
