Men Of Character Joshua Living As A Consistent Role Model:

Men of Character: Joshua Gene A. Getz,1995-06-22 One in a series of twelve books by Gene Getz examining role models of the Old and New Testaments in situations relevant to modern times **"Please Teach Me How To Become A Real Man of God"** DR. CARLOS MOORE,2016-02-19 This book will explain the natural process of Boys growing into Men Do not be confused by the size of a Male and call him a Man because he may still be a Boy Women today find it very hard to meet their mates for marriage This problem is getting worse day by day and I truly believe the cause is in direct proportion to the way parents are raising their boys If male and female marriages decrease then birth of children may decrease and that is tragic to the human race This book will explain to the reader some very basic steps on how to raise a boy and how to treat a man Women will learn a lot about their future mate as well as women will learn how to treat and cooperate with their present mate *Men of Character: Joseph* Gene A. Getz,1996-01-15 One in a series of twelve books by Gene Getz examining role models of the Old and New Testaments in situations relevant to modern times **Men of Character: David** Gene A. Getz,1995-06-22 One in a series of twelve books by Gene Getz examining role models of the Old and New Testaments in situations relevant to modern times **Men of Character: Nehemiah** Gene A. Getz,1995-06-22 One in a series of twelve books by Gene Getz examining role models of the Old and New Testaments in situations relevant to modern times *Men of Character: the Apostles* Gene A. Getz,1998 They were united in a common belief in the power of Jesus but struggled with their own weaknesses Still Jesus saw fit to call them His Apostles and bestow upon them the mighty responsibility of spreading the Gospel throughout the world Joshua Gene A. Getz,1995 Subject Guide to Books in Print ,2001 Men of Character: Abraham Gene A. Getz,1996-01-15 Out of a sinful and pagan world God called Abraham to leave everything and everyone he knew and travel to a land he had never seen Abraham stepped out in faith yet he hesitated and delayed Throughout his long life it was only when Abraham full yielded himself to the will of God that God could fulfill His will through Abraham *Subject Guide to Children's Books in Print* 1997 Bowker Editorial Staff,R R Bowker Publishing,1996-09

Forthcoming Books Rose Army,1996-06 **American Book Publishing Record** ,1995 **Iron Butterflies** Birute Regine,2010-09-09 This inspiring and compelling narrative weaves together stories of sixty successful women from all walks of life and throughout the world The author spent several years in eight countries interviewing dynamic female role models businesswomen CEOs a Congresswoman a governor an ex Prime Minister a Pulitzer Prize finalist a Nobel Peace Prize laureate a winemaker artists doctors nurses and many others The author calls these women Iron Butterflies because they meld a will of iron with the gentle nurturing touch of a butterfly With disarming candor these women talk about their struggles their fallibilities and their strengths in the journey to the top of their professions Forging their leadership from an amalgam of masculine and feminine skills all of these Iron Butterflies have transformed themselves and in doing so they are contributing to a larger social transformation A key to this personal and social transformation rests in their ability to address

vulnerability in themselves and those around them and transform it into a crucible of healing growth and innovation Knowing how to deal with vulnerability in ourselves and with others evokes feminine skills and values and is a key to the societal change so many are seeking Critiquing the command and control style of leadership derived from the gladiator concept of male invulnerability the author convincingly demonstrates how traditional feminine skills and values such as inclusion empathy a holistic perspective relational skills and emotional strength can be applied to empower more people than ever before Like the sixty Iron Butterflies profiled leaders in the 21st century will paradoxically embrace vulnerability and durability creating better working and living relationships for us all
