**Common Market Suicide** A.K. Chesterton,2017 A K Chesterton pleads with the British people to reject the Common Market in these Candour essays written between 1971 and 1973 Never shall we allow it to be said that in the hour of treason there were no Britons to keep faith with the past or hand down a torch to the future *Candour* 520 March 1972 *Six Principles of British Nationalism* John Tyndall,2012 John Tyndall s classic work on British Nationalism originally published in 1966

*The "Sound the Alarm" collection* A.K. Chesterton,2016 A collection of the three Sound the Alarm booklets which established the policy and ideology of the League of Empire Loyalists in 1954 The individual booklets are entitled Sound the Alarm Stand by the Empire and Beware the Money Power

## **The Legal-Economic Nexus** Warren Samuels,2007-02-22

Providing another key contribution to the immensely popular field of law and economics this book written by the doyen of the history of economic thought in the US explores the dynamic relationship between economics law and polity Combining a selection of old and new essays by Warren J Samuels that chart a number of key themes it provides an important commentary on the development of an academic field and demonstrates how policy is structured and manipulated by human social construction The areas covered include the role of manufactured belief power the nature and sources of rights the construction of markets by firms and governments and the problem of continuity and change in the form of the question of the selectively defined status quo and its status the absolutist character of government rights markets and legal principles and the accepted ideational structure of law The Legal Economic Nexus is an essential read both economists and legal professionals as well as those researching the history of economic thought and the social construction of law

*The Alarm* ! A.K. Chesterton,2012 This booklet is intended to serve a dual purpose It will introduce new readers to the policy of Candour the British Views letter which espouses the British Imperial cause Indeed its contents are the substance of articles published by Candour The second purpose is to explain the motives which have led to the formation of the League of

Empire Loyalists a devoted band of patriots pledged to serve the British future by maintaining a relentless opposition to internationalists intent upon enslaving the world through Communism or through Debt     *The Catholic Worker* ,1970

**The Catholic Periodical Index, a Cumulative Author and Subject Index to a Selected List of Catholic Periodicals** ,1946    **National Union Catalog** ,1980 Includes entries for maps and atlases    **Tomorrow. A Plan for the British Future** A.K. Chesterton,2015 This booklet was compiled from two leading articles in Candour in April 1961 and was reprinted in booklet format in May 1961 The Twelfth Hour contains a remarkably honest analysis of the weaknesses as well as the strengths of the Candour League movement Then as now there was a desperate need for the majority of supporters to either become more active or to provide the funds necessary for the survival of our movement and nation Tomorrow is the plan on how Britain could adapt to the loss of Empire and rally around the white dominions This idea long dormant and seemingly abandoned by today s establishment has seen some interest in the media recently and may come again should Britain escape the shackles of the European Union     *National Union Catalog* ,1980 ,1981
