Pbs Concept Eca Study Guide:

Universal and Accessible Design for Products, Services, and Processes Robert F. Erlandson, 2007-08-03 New laws global competition technological advances and evolving societal values toward disability all demand the integration of universal and accessible design principles into the general practice of the design community This growing international movement forces competitors to expand their traditional concepts of design and adopt these principles

Co-Creation in Social Enterprises

Andrée Marie López-Fernández, 2025-02-12 This book provides insight into the historical background of Latin America and the Caribbean focusing on the impacts of conquest colonialism and dictatorships to examine the current state of institutions organizations and businesses to emphasize the critical need of social enterprises in fostering human and sustainable development It explores how social accountability facilitates co creation of value at both micro and macro levels thereby impacting regional and ultimately global growth and development Addressing the root causes for the region lagging behind in growth and development this volume proposes a model to plan strategically for the co creation of added value aimed at enhancing the well being of current and future generations Aimed at scholars interested in the effects of shared responsibility in social enterprise dynamics this book offers an understanding of the origins of social issues in Latin America and the Caribbean and creates a path for four different groups of stakeholders to take action
