Asteroids Martin Elvis, 2021-06-08 A unique wide ranging examination of asteroid exploration and our future in space Human travel into space is an enormously expensive and unforgiving endeavor So why go In this accessible and authoritative book astrophysicist Martin Elvis argues that the answer is asteroid exploration for the strong motives of love fear and greed Elvis s personal motivation is one of scientific love asteroid investigations may teach us about the composition of the solar system and the origins of life A more compelling reason may be fear of a dinosaur killer sized asteroid hitting our planet Finally Elvis maintains we should consider greed asteroids likely hold vast riches such as large platinum deposits and mining them could provide both a new industry and a funding source for bolder space exploration Elvis explains how each motive can be satisfied and how they help one another From the origins of life to space billiards and space sports Elvis looks at how asteroids may be used in the not so distant future

One Nation Under Blackmail - Vol. 1 Whitney Alyse Webb, 2022-10-20 One Nation Under Blackmail is a damning indictment of the consequences resulting from the nearly century old relationship between both US and Israeli intelligence and the organized criminal network known as the National Crime Syndicate This book specifically explores how that nexus between intelligence and organized crime directly developed the sexual blackmail tactics and networks that would later enable the sexual blackmail operation and other crimes of deceased pedophile and sex trafficker Jeffrey Epstein Other books on Jeffrey Epstein focus on the depraved nature of his crimes his wealth and his most famous politically connected friends and acquaintances This book in contrast reveals the extent to which Epstein s activities were state sponsored through an exploration of his intelligence connections

The Raging 2020s Alec Ross, 2021-09-14 In the face of unprecedented global change New York Times bestselling author Alec Ross proposes a new social contract to restore the balance of power between government citizens and business in *The Raging 2020s* For 150 years there has been a contract Companies hold the power to shape our daily lives The state holds the power to make them fall in line And the people hold the power to choose their leaders But now this balance has shaken loose As the market consolidates the lines between big business and the halls of Congress have become razor thin Private companies have become as powerful as countries As Walter Isaacson said about Alec Ross s first book *The Industries of the Future* The future is already hitting us and Ross shows how it can be exciting rather than frightening Through interviews with the world s most influential thinkers and stories of corporate activism and malfeasance government failure and renewal and innovative economic and political models Ross proposes a new social contract one that resets the equilibrium between corporations the governing and the governed
