Word of Mouse Marc Ostrofsky, 2013-09-10 The New York Times bestselling author of Get Rich Click delivers cutting edge advice for consumers and marketers on how to get the most from today's technology. Gain a competitive edge, get the most from today's technology. Technology changes so fast that it's easy to be intimidated by it. Our personal choices and business decisions are increasingly driven by digital word of mouse, and it's essential to our success and satisfaction to take control of the gadgets, apps, and trends that are shaping our world. Bestselling author and trend watcher Marc Ostrofsky is here to help. In this groundbreaking new book, Ostrofsky reveals the ways that new technologies implant themselves in our daily lives and how we can easily take advantage of them to live, learn, buy, sell, work, play, communicate, and socialize better. Covering diverse topics from how the Internet affects our health to how we can become bargain hunting pros, Ostrofsky's book could come at no better time. The Internet's presence is only growing, and new technologies are sprouting up every day. We must learn how to cultivate these new tools so that we can remain competitive and live happier, healthier lives. Word of Mouse gives you the tools you need to conquer information overload and puts you in the driver's seat of the world's most potent technologies.

iPhone For Seniors For Dummies, 2026 Edition Dwight Spivey, 2025-12-09 Stay connected with friends and family using your device. Looking for a single comprehensive up-to-date guide to making the most out of your iPhone? In the newly revised iPhone For Seniors For Dummies 2026 Edition, tech educator and expert Dwight Spivey walks you through the essential parts of owning and using an iPhone. Starting from the beginning, Spivey explains how to choose the iPhone model that's right for you based on your needs, how to set up your iCloud account, and how to adjust accessibility features that make your phone easier to use. Learn how to choose and access the apps that let you text, call, email, and surf to your heart's content. This book delivers step-by-step instructions to personalizing your phone and getting more utility out of it, whether that means keeping tabs on your well-being with the Health App, customizing your notifications, or staying organized with the Calendar, Clock, and Reminders apps. iPhone For Seniors For Dummies 2026 Edition also offers video and audio calling tutorials, including instructions for using FaceTime to call family and friends. Tips for making your phone more fun, including how to find and download new games, watch videos, and browse the web. Tutorials on how to use your phone to organize your life and make you more productive. Featuring large print, clear illustrations, and a special focus on tips and content especially relevant to seniors, this easy-to-read book gives new and experienced iPhone users an accurate resource that will help you get the most out of one of the most popular pieces of technology in the world.

Email Marketing, List Building, Traffic and Sales Generation Director Brent Westbrook, 2013-09-07 For about 4 years, my websites had been featured high up among Google's search results for a lot of highly competitive keywords. To achieve this feat, I had to put in the hours, thinking back, forget hours, it was more like weeks and months of hard work and effort. The positive was that business was doing well. I was getting a decent amount of traffic, building a list, and generating sales. Then, out of the blue,

Google attacked First they closed down my Adwords account Then they did what they called their Panda update of their algorithm In an instant all my sites disappeared from Google all that hard SEO work down the pan They even closed down my 7 year old blog I d made a school boy error in using the Blogger platform which of course Google owned a blog that was getting on average 950 visits per day To say I was ticked off is an understatement In fact I was very tempted to just throw my toys out of the pram pack it all in And it wasn t just me who was greatly affected thousands of marketers saw the same thing happen to their sites with some poor souls literally losing everything To see if there was any hope for my business I started lurking around the Internet Marketing forums to see how others were coping Nothing I tried really seemed to replace the traffic that Google brought me Although I was interested in a method that a fellow Google Panda victim was using And so gave it a try Results were patchy at first but at least I could see the potential Gradually I tweaked the method tested different things changed things about and results started to improve I stuck with it And now it s the ONLY traffic driving method I seriously use
