Memorandum For Criminology Exam Papers 2013:

Foundations of Criminal Justice Stephen S. Owen, 2019-07-15 What is law What is deviance What is justice How is justice achieved through law punishment and criminal justice agencies Now in its third edition Foundations of Criminal Justice uses a unique approach that provides students with the framework and the intellectual tools that they will need in order to critically analyze and evaluate the nature sources scope purposes and practical limitations of the criminal justice system This is the only introductory survey text that moves beyond a description of the criminal justice system helping students understand the role of criminal justice in their lives as criminal justice practitioners and as active citizens

Free Market

Criminal Justice Darryl K. Brown, 2016 Free Market Criminal Justice explains how faith in democratic politics and free markets has undermined the rule of law in US criminal process It argues that to strengthen the rule of law US criminal justice needs less democracy fewer market mechanisms and more law

Evidence-Based Policing

Garth den Heyer, 2022-10-19 The volume aims to increase knowledge and understanding of how evidence based policing is being adopted and implemented by police agencies in the United States and whether it is affecting the agencies processes strategies community relationships and delivery of community oriented policing services This exploration is based on data drawn from the literature interviews and extensive field research that resulted in the case studies presented and discussed in the book The goal of this text will be to provide the reader with a thorough analysis of the concepts arguments and challenges facing evidence based policing The history of evidence based policing how evidence based practices are used in the health and social sectors and in the United Kingdom will be examined In addition reasonable options for improving the use of evidence based policing will be proposed Overall very practical policy implications will be outlined by a highly recognized professional who has considerable experience in policing and related research

Power Without Constraint

Chris Edelson, 2016-05-11 As a presidential candidate Barack Obama criticized the George W Bush administration for its unrestrained actions in matters of national security In secret Justice Department memos President Bush's officials had claimed for the executive branch total authority to use military force in response to threats of terrorism They set aside laws made by Congress even criminal laws prohibiting torture and warrantless surveillance Candidate Obama promised to restore the rule of law and make a clean break with the Bush approach President Obama has not done so Why In a thorough comparison of the Bush and Obama administrations national security policies Chris Edelson demonstrates that President Obama and his officials have used softer rhetoric and toned down legal arguments but in key areas military action surveillance and state secrets they have simply found new ways to assert power without meaningful constitutional or statutory constraints Edelson contends that this legacy of the two immediately post 9 11 presidencies raises crucial questions for future presidents Congress the courts and American citizens Where is the political will to restore a balance of powers among branches of government and adherence to the rule of law What are the limits of authority regarding presidential

Neoliberalism, State-Corporate Power and Regulatory Failure Rhiannon Bandiera,2025-05-23 Based on over a decade of research this book examines the social harms of Australian prescription and non prescription medicine regulation and how these ultimately stem from neoliberalism and its reinforcement of state and corporate power Neoliberalism shapes state and corporate power regulation and the harms resulting from regulatory failure yet the links between these themes are rarely discussed Drawing on the concept of hegemonic neoliberal governmentality this book critically examines Australian medicine regulation and the harms resulting from its failure in areas such as medicine quality safety and efficacy direct to consumer advertising and marketing directed at health professionals It traces these harms through the colonial foundations and evolution of medicine regulation in Australia exploring both regulatory failure and the attempts at reforming this regulatory system It argues that neoliberalism is not regulatable and reinforces and sustains itself empowering the state and corporations while disempowering the public and those representing its interests Thus reducing its harms is only achievable through broader transformative change rather than by reforming and thereby continuing to work within the existing neoliberal capitalist system Neoliberal State Corporate Power and Regulatory Failure will be of value to practitioners members of the public and private sector and academics active in the fields of state corporate and state corporate crime social harm and regulation as well as to those new to the study of medicine related harms It will also be of interest to all those concerned about their health and the medicines they use

[International Developments and Practices in Investigative Interviewing and Interrogation](#) David Walsh,Gavin Oxburgh,Allison Redlich,Trond Myklebust,2017-09-19 Techniques in the investigative interviewing and interrogation of victims witnesses and suspects of crime vary around the world according to a country s individual legal system religion and culture Whereas some countries have developed certain interview protocols for witnesses such as the ABE Guidelines and the NICHD protocol when interviewing children and the PEACE model of interviewing suspects other countries continue to use physical coercion and other questionable tactics to elicit information Until now there has been very little empirical information about the overall interview and interrogation practices in non western countries especially the Middle and Far East This book addresses this gap bringing together international experts from over 25 countries and providing in depth coverage of the various interview and interrogation techniques used across the globe Volume 2 focuses on the interviewing of crime suspects aiming to provide the necessary information for an understanding of how law enforcement agencies around the world gain valuable information from suspects in criminal cases Together the chapters that make up this volume and the accompanying volume on interviewing witnesses and victims draw on specific national case studies and practices examine contemporary challenges and identify best practice to enable readers to develop an international as well as a comparative perspective of developments worldwide in this important area of criminal investigation This book will be an essential resource for academics and students engaged in the study of policing
