Memoria A Dos Voces Spanish Edition:

Wars of Latin America, 1948-1982 René De La Pedraja, 2013-04-29 This book continues the narrative begun by the author in *Wars of Latin America 1899 1941* It provides a clear and readable description of military combat occurring in Latin America from 1948 to the start of 1982 In an unusual peaceful lull Latin America experienced no wars from 1942 to 1947 Although the text concentrates on combat narrative matters of politics business and international relations appear as necessary to explain the wars The author draws on many previously unknown sources to provide information never before published The book traces the many insurgencies in Latin America as well as conventional wars Among the highlights are the chapters on the Cuban and Nicaraguan insurrections and on the Bay of Pigs invasion One goal of the text is to explain why of the many insurgencies appearing in Latin America only those in Cuba and Nicaragua were successful in overthrowing governments The book also helps explain why even unsuccessful insurgencies have survived for decades as has happened in Colombia and Peru Instructors considering this book for use in a course may request an examination copy here *Maria Rosa Lida De Malkiel Memorial* ,1963 **Catalogue of the Spanish library and of the Portuguese books bequeathed by George Tikhonov to the Boston Public Library** James L.
