Memories From A Different Future Jump When Ready Book :

Memories From a Different Future David Pandolfe, 2014-08-28 For Nikki it feels like no time has passed since they rescued Henry's sister from her abductors. After all, in the in-between realm, time is completely different than for those still living. Even though it's been almost twenty years, only lately has Nikki started crossing between realms again. She's been checking on Ian, the person they knew as Curtis before he jumped into a new life. Nikki hasn't admitted it to the others, but she's been curious. Could Ian's life really be as good as it seems? Can she find the courage herself to try the other realm again despite what happened last time? When Nikki suddenly starts receiving ghostlike visits from Curtis all these years since he returned to the physical realm, she can't imagine how it's possible. She also realizes it has to mean something serious. Nikki soon learns that three days from now, an incident on Earth will end Curtis's new life. Now Nikki, Henry, and Jamie must find a way to alter the outcome of a future event only they know will take place. They'll also have just minutes to make that happen. Otherwise, Curtis is going to die again, taking with him any hope Nikki and her friends had for starting over.
