Focus On: 100 Most Popular Television Series by Universal Television Wikipedia contributors, [Our Cherished Halls of Ivy](#) Phillip L. Beukema, 2022-10-10 Higher education has both supporters and detractors although not in equal numbers Some would have us believe that our higher education enterprise is on the brink of disaster that it s falling apart at the seams Some go so far as to call the system broken beyond repair suggesting that it be rebuilt from the ground up Can it be this bad Drawing on his long experience in higher ed administration the author examines the sea change that s affected nearly every corner of the higher learning landscape These corners include the high and rising costs of tuition the crushing levels of student debt the shamefully low graduation rates in too many schools the growing million dollar clubs whose members include university presidents and football and basketball coaches the inadequacies of accreditation and the growing influence of partisan politics in the conduct of our public universities That s for starters With an insider s perspective the author paints a picture that is up front and honest laying bare the depth and extent of specific problems confronting that crucial engine of our economy higher education In each case he spells out what needs a tune up and what needs something closer to an overhaul Of course he offers specific proposals for fixing those problems They re likely to be controversial but the author hopes they spark a debate that ultimately leads to productive solutions

The Global Academic Rankings Game Maria Yudkevich, Philip Altbach, Laura Rumbley, 2016-03-02 The Global Academic Rankings Game provides a much needed perspective on how countries and universities react to academic rankings Based on a unified case methodology of eleven key countries and academic institutions this comprehensive volume provides expert analysis on this emerging phenomenon at a time when world rankings are becoming increasingly visible and influential on the international stage Each chapter provides an overview of government and national policies as well as an in depth examination of the impact that rankings have played on policy practice and academic life in Australia Chile China Germany Malaysia the Netherlands Poland Russia Turkey the United Kingdom and the United States The Global Academic Rankings Game contributes to the continuing debate about the influence of rankings in higher education and is an invaluable resource for higher education scholars and administrators as they tackle rankings in their own national and institutional contexts
