Mister Magic Kiersten White, 2023-08-01 Who is Mister Magic Former child stars reunite to uncover the tragedy that ended their show and discover the secret of its enigmatic host in this dark supernatural thriller from the No 1 New York Times bestselling author of Hide Thirty years after a tragic accident shut down production of the classic children's program Mister Magic the five surviving cast members have done their best to move on But just as generations of cultishly devoted fans still cling to the lessons they learned from the show the cast known as the Circle of Friends have spent their lives searching for the happiness they felt while they were on it The friendship The feeling of belonging And the protection of Mister Magic But with no surviving video of the show no evidence of who directed or produced it and no records of who or what the beloved host actually was memories are all the former circle of friends have Then a twist of fate brings the castmates back together at the remote desert filming compound that feels like it's been waiting for them all this time Even though they haven't seen each other for years they somehow understand one another better than anyone has since After all they're the only ones who hold the secret of that circle the mystery of the magic man in his infinitely black cape and maybe the answers to what really happened on that deadly last day But as the Circle of Friends reclaim parts of their past they begin to wonder Are they here by choice or have they been lured into a trap Because magic never forgets the taste of your friendship

The Impact of Social Media in the Black Lives Matter Discourse. What Online and Offline Effects did the #BlackLivesMatter Hashtag have? Evelyn Isaak, 2023-09-08 Seminar paper from the year 2023 in the subject Communications Public Relations Advertising Marketing Social Media grade 1.0 language English abstract This paper explores the impact of social media especially Instagram and Twitter on the discourse surrounding the BLM movement The focus will mainly be on the framing of the crisis of racial inequality in the United States Main questions are Can the movement be seen as resulting out of a crisis and why is the BlackLivesMatter hashtag still important What

online and offline effects did the BlackLivesMatter hashtag have Through an examination of how social media has been used to frame the crisis this paper tries to explain the ways in which this new media has been used to mobilize support build community and challenge the status quo The United States of America has long grappled with systemic racial inequality and social injustice particularly towards black Americans The racial inequality began many years ago and continues until this day Despite historic efforts towards achieving civil rights the plight of black people in America has continued to be a contentious issue with police brutality and discriminatory policies remaining persistent problems In recent years the Black Lives Matter BLM movement has emerged as a powerful force for change driven largely by the use of social media platforms to bring awareness to the issue of systemic racism and its impact on Black lives

Exit Path: How to Win the Startup End Game
Touraj Parang, 2022-08-02 An exit strategy if implemented early is the surprising secret to ultimate startup success Find out why and how to develop one in this comprehensive practical guide from veteran Silicon Valley dealmaker Touraj Parang In 2008 Touraj Parang s award winning startup Jaxtr had 10 million users raised nearly 20 million from top tier Silicon Valley investors and seemed poised to sail straight through the Great Recession But by January of 2009 Jaxtr s only hope for survival was to find a buyer sadly it was too late for that In Exit Path Touraj draws on the lessons learned from that chaotic experience and the extraordinary successes that followed once he and the entrepreneurs he advises made creating and executing an exit strategy a top priority For too long entrepreneurs have been failing to establish the requisite relationships and properly prepare for the most important milestone in their life cycle a sale to an acquirer But in today s hyper competitive and interconnected business world that is no longer an option In this first of its kind comprehensive guide you ll discover the surprising reasons few startups succeed while many fail and you ll learn that implementing an exit strategy early will empower you to take charge of your startup s ultimate fate maximizing its potential for success while mitigating the risks of failure Arranged in four sequential parts Exit Path walks you through actionable steps to devise and execute an effective exit strategy starting with a fresh new perspective on the critical importance of creating a viable sale option for your startup You ll learn why creating your exit strategy is necessary well before you re contemplating an exit regardless of the stage of your startup You ll also discover how to create your own exit plan how to make your plan a reality through personal and business relationships and how to approach and negotiate with acquirers for an outcome best aligned with your values and ambitions should the need arise Whether you are an entrepreneur investor or advisor the expert advice and insights in Exit Path will inspire you to take charge of your startup s destiny and unlock its strategic potential and options over time

Think Before You Like Guy P. Harrison, 2017-11-14 At a time when the news cycle turns on a tweet journalism gets confused with opinion and facts are treated as negotiable information applying critical thinking skills to your social media consumption is more important than ever Guy P Harrison an upbeat advocate of scientific literacy and positive skepticism demonstrates how critical thinking can enhance the benefits of social media while giving users the skills to guard against its

dangers Social media has more than two billion users and continues to grow Its widespread appeal as a means of staying in touch with friends and keeping up with daily news masks some serious pitfalls misinformation pseudoscience fraud propaganda and irrational beliefs for example presented in an attractive easy to share form This book will teach you how to resist the psychological and behavioral manipulation of social media and avoid the mistakes that millions have already made and now regret Harrison presents scientific studies that show why your subconscious mind loves social media and how that can work against your ability to critically evaluate information Among other things social media reinforces your biases clouds your judgment with images that leave a false impression and fills your brain with anecdotes that become cheap substitutes for objective data The very nature of the technology keeps you in a bubble by tracking your preferences it sends only filtered newsfeeds so that you rarely see anything that might challenge your set notions Harrison explores the implications of having digital friends and the effects on mood self esteem and the cultivation of friendship in the real world He discusses how social media affects attention spans and the ability to consider issues in depth And he suggests ways to protect yourself against privacy invasion cyberstalking biased misinformation catfishing trolls misuse of photos and the confusion over fake news versus credible journalism *Vanity Fair* ,2015
