The Authority Guide to Profitable Pricing Shaz Nawaz,2017-11-08 Make a fast effective impact on the financial success of your business Setting the optimum price for your products and services that s right for your customers and market is vital to success But how do you know that what you re charging is doing the best job possible In this smart savvy Authority Guide pricing expert Shaz Nawaz takes you step by step through everything you need to know to build a solid reliable pricing strategy for your business Thrive flourish and open the door to instant increased turnover the best customers and accelerated growth with the key to profitable pricing *Sentient Strategy* Alan Weiss,2023-03-23 No pre pandemic strategy is effective anymore None Not for organizations large or small for profit or non profit domestic or global Claims of a return to normal or the new normal are ridiculous What we re facing is really a new reality and that reality is the need for agile strategic decisions and pragmatic views of the future That means that strategy formulation can be reduced to a few days and the view of the future can only be 12 18 months This is the antithesis of Peter Drucker s approach to strategy but his highly effective approach was developed at GM three quarters of a century ago It s time to move on Alan Weiss has developed an original and completely new approach to strategy which thus far has certified over 100 people globally delivering this approach to scores of firms of all types in four countries More than two dozen firms are using this approach Sentient Strategy is based on two modern dimensions awareness of the environment in which the organization exists and has influence and consciousness of the impact of actions being considered The old SWOT strengths weaknesses opportunities threats approaches are currently equivalent to riding down the freeway on a horse We must drop the hubris that has led us to believe we can see years ahead and anticipate what s coming No one predicted the Internet No one predicted the latest pandemic It s time to turn volatility and disruption on their heads and use them as offensive weapons in the marketplace instead of trying to protect ourselves from them Imagine a strategy that an organization can formulate in just a day or so revisit easily and frequently and design a series of shorter term viable futures Sentient means perceptive and self aware It doesn t mean one size fits all from a cookie cutter firm s approach to strategy Alan Weiss equips the reader to consider using this approach independently These are new times a new reality a no normal™ hence it s ridiculous to use old approaches to strategy There s a clear reason why Sears didn t morph into Amazon and why Hertz surrendered its number one spot to Enterprise **Time** ,2008-11 **Watching TV** Harry Castleman,Walter J. Podrazik,2024-12-16 Castleman and Podrazik present a season by season narrative that encompasses the eras of American television from the beginning in broadcast through cable and now streaming They deftly navigate the dizzying array of contemporary choices so that no matter where you start on the media timeline Watching TV provides the context and background to this multi billion dollar enterprise Drawing on decades of research the authors weave together personalities popular shows corporate strategies historical events and changing technologies enhancing the main commentary with additional elements that include fall prime time

schedule grids for every season date box timelines highlighted key text and selected photos Full of facts firsts insights and exploits from now back to the earliest days Watching TV is the standard chronology of American television and reading it is akin to channel surfing through history The fourth edition updates the story into the 2020s and looks ahead to the next waves of change This new edition is the first to also be available in a digital format DIGITAL BUSINESS Dr. Sarita A.
