contribution to the media's coverage of and relationship to American politics at large From Box Office to Ballot Box takes as its subject films exploring the electoral process the process of governing and the involvement of the media in both Separate chapters also deal with films related to specific political issues or phenomena that are particularly relevant to the above three categories including labor and class the Cold War the Vietnam War and the other recent conflicts in which the media has played such a large role Specific films discussed include Citizen Kane All the King's Men The Manchurian Candidate All the Presidents Men The Front M A S H JFK Nixon Wag the Dog Three Kings Black Hawk Down The Quiet American The Contender and many more
