**Fortune** ,2004      **The Publishers Weekly** ,1999      **Chain Store Age** ,2006      **This Generation Leads** Mike Teke,Muzi Kuzwayo,2022-03-01 This book was born out of an idea that I had during the period in which I spent time with several young people who had approached me to assist them in different ways including personal development career advancement and growth as well as growing their businesses and entrepreneurial acumen and skills I took the challenge but felt that more could be achieved hence this book The chapters in this book are written by each one of these young people They chose the topics guided by me and the plan was to simply convey a message from each one of them about leadership They did not do this for fame or to sell this book to make money but to share their ideas The topics covered in this book will appeal to different readers and some readers might find more lessons in one chapter or in more chapters than one I urge each one of you who read this book to pick one or a few lessons and share it with those you wish to make a difference to Mentorship of young people is critical but this does not mean that the mentors will provide handouts in the form of money People who wish to grow are not interested in money they are interested in a piece of your generous heart Mike Teke
